**AMENDMENT NO. 1 TO
AMENDED AND RESTATED REVOLVING CREDIT AGREEMENT**

AMENDMENT NO. 1 (this "**Amendment**"), dated as of December 28, 2021, to AMENDED AND RESTATED REVOLVING CREDIT AGREEMENT, dated as of April 10, 2020, among SOUTHWEST GAS HOLDINGS, INC. (the "**Borrower**"), the LENDERS party hereto and THE BANK OF NEW YORK MELLON, as Administrative Agent (the "**Administrative Agent**").

RECITALS

I. The Borrower, the lenders from time to time parties thereto (collectively, the "**Lenders**") and the Administrative Agent are parties to the Amended and Restated Revolving Credit Agreement, dated as of April 10, 2020 (the "**Credit Agreement**"). Unless defined herein, all capitalized terms used herein shall have the meanings ascribed to them in the Credit Agreement.

II. The Borrower has requested that the Total Commitment be increased by \$100,000,000 (the "**2021 Commitment Increase**") and each Increasing Lender (as defined below) has agreed to increase its Commitment by a Pro Rata Share of such amount.

III. By delivering its signature page hereto, each Lender consents to this Amendment and agrees to the 2021 Commitment Increase.

IV. The Borrower, the Administrative Agent and the Lenders have agreed to amend the Credit Agreement effective as of the Amendment No. 1 Effective Date (as defined below) to, among other things, (a) increase the Total Commitment from \$100,000,000 to \$200,000,000, (b) increase the amount to which the Total Commitment may be increased pursuant to Section 2.03(c) of the Credit Agreement from \$200,000,000 to \$300,000,000, (c) extend the Termination Date from April 10, 2025 to December 28, 2026, and (d) implement daily and term secured overnight financing rate interest rate pricing for the Loans in lieu of the current interest rate pricing for the Loans.

Accordingly, in consideration of the covenants, conditions and agreements hereinafter set forth, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

1. 2021 Commitment Increase.

(a) Subject to the terms and conditions set forth herein, as of the Amendment No. 1 Effective Date, each Increasing Lender (as defined below) commits to increase its Commitment to the amount set forth opposite such Increasing Lender's name on Annex D hereto.

(b) On the Amendment No. 1 Effective Date, each Lender increasing its Commitment (an “Increasing Lender”) shall, to the extent necessary, purchase from each other Lender, and each Lender shall sell to each Increasing Lender, in each case at par and without representation, warranty, or recourse (in accordance with and subject to the restrictions contained in Section 10.03 of the Credit Agreement), such principal amount of the Loans of such other Lender, together with all accrued and unpaid interest thereon, as will result, after giving effect to such transaction, in each Lender’s Applicable Percentage of Loans outstanding being equal to such Lender’s Applicable Percentage (after giving effect to the 2021 Commitment Increase) of all Loans, provided that each such assignor Lender shall have received (to the extent of the interests, rights and obligations assigned) payment of the outstanding principal amount of such Loans, accrued interest thereon, accrued fees, commissions and all other amounts payable to it under the Credit Documents from the applicable assignee Lenders (to the extent of such outstanding principal and accrued interest, fees and commissions) or the Borrower (in the case of all other amounts).

2. **Amendments to Credit Agreement.** Effective as of the Amendment No. 1 Effective Date, the Credit Agreement is hereby amended as follows:

(a) The Credit Agreement is hereby amended by (i) deleting the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~), and (ii) adding the double underlined text (indicated textually in the same manner as the following example: double-underlined text) as reflected in Annex A to this Amendment.

(b) Exhibit A to the Credit Agreement is hereby amended and restated in the form of Annex B to this Amendment.

(c) Exhibit B to the Credit Agreement is hereby amended and restated in the form of Annex C to this Amendment.

(d) Schedule I to the Credit Agreement is hereby amended and restated in the form of Annex D to this Amendment.

(e) All other exhibits and schedules to the Credit Agreement as in effect as of the Amendment No. 1 Effective Date shall continue to remain in effect.

3. **Representations and Warranties by the Borrower.** To induce the Administrative Agent and the Lenders to enter into this Amendment, the Borrower hereby represents and warrants to the Administrative Agent and the Lenders that:

(a) The execution, delivery and performance of this Amendment and the transactions contemplated hereby (i) are within its corporate authority, (ii) have been duly authorized by all necessary corporate action, (iii) do not conflict with or result in any material breach or contravention of any provision of law, statute, rule or regulation to which the Borrower is subject or any judgment, order, writ, injunction, license or permit applicable to the Borrower, and (iv) do not conflict with any provision of its articles of incorporation, bylaws or other organizational document or any agreement or other instrument binding upon it.

(b) This Amendment constitutes the valid and legally binding obligations of the Borrower, enforceable against it in accordance with the terms hereof, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally.

(c) Each of the representations and warranties contained in the Credit Agreement is true and correct in all material respects on and as of the date hereof, except those representations and warranties that were made as of a specific date, in which case such representations and warranties were true and correct on and as of such earlier date.

(d) Before and after giving effect to this Amendment, no Default has occurred and is continuing.

4. *Conditions to Effectiveness.*

This Amendment shall be effective as of the date hereof (the "**Amendment No. 1 Effective Date**"), provided that on or before the date hereof, the Administrative Agent shall have received the following:

(ii) a duly executed amended and restated Revolving Credit Note for each Increasing Lender that requests a Revolving Credit Note;

except those representations and warranties that were made as of a specific date, in which case such representations and warranties were true and correct on and as of such earlier date, and (B) before and after giving effect to this Amendment, no Default has occurred and is continuing;

(iv) a favorable written opinion, dated the Amendment No. 1 Effective Date, of Thomas Moran, Corporate Secretary of the Borrower, and Morrison & Foerster LLP, counsel to the Borrower;

(v) at least five (5) Business Days prior to the Amendment No. 1 Effective Date, all documentation and other information about the Borrower and its Subsidiaries that shall have been requested by the Lenders in writing at least ten (10) days prior to the Amendment No. 1 Effective Date and that the Lenders reasonably determine is required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the Act; and

AMENDED AND RESTATED REVOLVING CREDIT AGREEMENT, dated as of April 10, 2020, among SOUTHWEST GAS HOLDINGS, INC., a Delaware corporation (the "Borrower"), each of the lenders from time to time parties to this Agreement (collectively, the "Lenders"), and THE BANK OF NEW YORK MELLON, as Administrative Agent.

WITNESSETH:

WHEREAS, the Borrower, the Lenders and the Administrative Agent are parties to the Existing Credit Agreement (as defined below); and

WHEREAS, the Borrower, the Lenders and the Administrative Agent have agreed to amend and restate the Existing Credit Agreement in its entirety on the terms and subject to the conditions set forth in this Agreement;

NOW, THEREFORE, the parties agree as follows:

ARTICLE I

DEFINITIONS

Section 1.01 Definitions.

(a) Terms Generally. The definitions ascribed to terms in this Agreement apply equally to both the singular and plural forms of such terms. Whenever the context may require, any pronoun shall be deemed to include the corresponding masculine, feminine and neuter forms. The words "include", "includes" and "including" shall be interpreted as if followed by the phrase "without limitation". The phrase "individually or in the aggregate" shall be deemed general in scope and not to refer to any specific Section or clause of this Agreement. All references herein to Articles, Sections, Exhibits and Schedules shall be deemed references to Articles and Sections of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. The table of contents, headings and captions herein shall not be given effect in interpreting or construing the provisions of this Agreement. Except as otherwise expressly provided herein, all references to "dollars" or "\$" shall be deemed references to the lawful money of the United States of America.

(b) Accounting Terms. Except as otherwise expressly provided herein, the term "consolidated" and all other terms of an accounting nature shall be interpreted and construed in accordance with GAAP, as in effect from time to time; provided, however, that, for purposes of determining compliance with any covenant set forth in Article VII, such terms shall be construed in accordance with GAAP as in effect on the date of this Agreement, applied on a basis consistent with the construction thereof applied in preparing the Borrower's audited financial statements referred to in Section 5.01(k). If there shall occur a change in GAAP which but for the foregoing proviso would affect the computation used to determine compliance with any covenant set forth in Article VII, the Borrower and the Lenders agree to negotiate in good faith in an effort to agree upon an amendment to this Agreement that will permit compliance with such covenant to be

determined by reference to GAAP as so changed while affording the Lenders the protection intended to be afforded by such covenant prior to such change (it being understood, however, that such covenant shall remain in full force and effect in accordance with its existing terms unless and until such amendment shall become effective).

(c) Other Terms. The following terms have the meanings ascribed to them below or in the Sections of this Agreement indicated below:

“ABR Loans” means Loans that bear interest at a rate or rates determined by reference to the Alternate Base Rate.

“ABR Term SOFR Determination Day” has the meaning specified in the definition of “Term SOFR”.

“Acquisition” means any purchase or other acquisition by the Borrower or a direct or indirect Subsidiary of the Borrower of (a) any assets of any other Person that, taken together, constitute a business unit, or (b) any capital stock of or equity interests in any other Person if, immediately thereafter, such other Person would be a direct or indirect Subsidiary of the Borrower.

“Act” has the meaning assigned to such term in Section 11.12.

“Adjusted Daily Simple SOFR” means, for purposes of any calculation, the rate per annum equal to (a) Daily Simple SOFR for such calculation plus (b) 0.038%; provided that if Adjusted Daily Simple SOFR as so determined shall ever be less than the Floor, then Adjusted Daily Simple SOFR shall be deemed to be the Floor.

“Adjusted Term SOFR” means, for purposes of any calculation, the rate per annum equal to (a) Term SOFR for such calculation plus (b) the Term SOFR Adjustment; provided that if Adjusted Term SOFR as so determined shall ever be less than the Floor, then Adjusted Term SOFR shall be deemed to be the Floor.

“Administrative Agent” means The Bank of New York Mellon, acting in the capacity of administrative agent for the Lenders, or any successor administrative agent appointed pursuant to the terms of this Agreement.

“Administrative Questionnaire” means an administrative details reply form delivered by a Lender to the Administrative Agent, in substantially the form provided by the Administrative Agent or the form attached to an Assignment and Acceptance.

“Affected Financial Institution” means (a) any EEA Financial Institution or (b) any UK Financial Institution.

“Affiliate” means, when used with reference to any Person, a Person (other than a Subsidiary) which directly or indirectly controls, is controlled by, or is under common control with, such other Person. For purposes of this definition, “control” (including with correlative meanings, the terms “controlling,” “controlled by” and “under common control with”) as applied to any Person, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of that Person, whether through the ownership of voting securities or by contract or otherwise.

“Agreement” means this Amended and Restated Revolving Credit Agreement, as it may be amended, modified or supplemented from time to time.

“Alternate Base Rate” means, for any day, a rate per annum equal to the greatest of:

- (i) the rate of interest from time to time publicly announced by the Administrative Agent as its prime commercial loan rate in effect on such day;
- (ii) the sum of (a) 1/2 of 1% per annum and (b) the Federal Funds Effective Rate in effect on such day; and
- (iii) the sum of (a) 1% per annum and (b) Adjusted Term SOFR for a one-month tenor in effect on such date.

The Alternate Base Rate shall change as and when the greatest of the foregoing rates shall change. Any change in the Alternate Base Rate shall become effective as of the opening of business on the day of such change. If Alternate Base Rate is being used as an alternate rate of interest pursuant to Section 4.05, then the Alternate Base Rate shall be the greater of clauses (i) and (ii) above and shall be determined without reference to clause (iii) above.

“Anti-Corruption Laws” means all laws, rules, and regulations of any jurisdiction applicable to the Borrower or its subsidiaries from time to time concerning or relating to bribery or corruption, including, without limitation, the U.S. Foreign Corrupt Practices Act and the U.K. Bribery Act of 2010.

“Anti-Terrorism Laws” means any law or regulation relating to terrorism, anti-terrorism, money laundering or anti-money laundering activities, including without limitation the U.S. Money Laundering Control Act of 1986 and the U.S. Bank Secrecy Act as amended by the Act.

“Applicable Lending Office” means, with respect to a Loan, the applicable office of the Lender for making such Loan, as specified in Schedule I or in an Administrative Questionnaire delivered to the Administrative Agent as the office from which such Lender makes Loans of the relevant type.

“Applicable Margin” means, at any date and with respect to each Loan during which the applicable Pricing Level set forth below is in effect, the percentage set forth below adjacent to such Pricing Level:

<u>Pricing Level</u>	<u>SOFR Loans</u>	<u>ABR Loans</u>
I	0.750%	0.000%
II	0.875%	0.000%
III	1.000%	0.000%
IV	1.125%	0.125%
V	1.250%	0.250%
VI	1.500%	0.500%

“Applicable Percentage” means, with respect to any Lender, the percentage of the Total Commitments represented by such Lender’s Commitment. If the Commitments have terminated or expired, the Applicable Percentages shall be determined based upon the Commitments most recently in effect, giving effect to any assignments.

“Approved Fund” means any Fund that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

“Assignee” has the meaning assigned to such term in Section 10.03(a).

“Assignment and Acceptance” has the meaning assigned to such term in Section 10.03(a).

“Available Commitment” means, on any day, an amount equal to (a) the Total Commitment on such day minus (b) the aggregate outstanding principal amount of Loans on such day.

Reductions of the Total Commitment shall be in the amount of \$2,500,000 or in integral multiples of \$1,000,000 in excess thereof (or, if the amount of the Available Commitment is less than \$2,500,000, then all of such lesser amount), but shall not exceed the Available Commitment in effect immediately before giving effect to such reduction. Any termination, and all reductions, of the Total Commitment shall be permanent.

(c) The Borrower may from time to time, at its sole expense and effort after consulting with the Administrative Agent, request: (i) one or more Lenders to increase (in the sole and absolute discretion of each such Lender) the amount of their respective Commitments and/or (ii) one or more other lending institutions reasonably acceptable to the Administrative Agent (such acceptance not to be unreasonably withheld) (each, a "New Lender") to become "Lenders" and extend Commitments hereunder (each such Lender and each New Lender being herein referred to as a "Proposed Lender"). To request an increase pursuant to this Section 2.03(c), the Borrower shall submit to the Administrative Agent an Increase Request, in the form annexed hereto as Exhibit G, signed by the Borrower, which shall be irrevocable and shall specify, as the case may be: (A) each such Lender and the amount of the proposed increase in its Commitment, or (B) the proposed Commitment for such New Lender. Promptly following receipt of an Increase Request, the Administrative Agent shall advise each Lender of the details thereof. If one or more of such Proposed Lenders shall have unconditionally agreed to such Increase Request in a writing delivered to the Borrower and the Administrative Agent (each such existing Lender and New Lender being hereinafter referred to as an "Incremental Lender"), then: (1) each such Incremental Lender which shall then be an existing Lender shall have its Commitment increased by the amount set forth in such Increase Request, and (2) each such New Lender shall be and become a "Lender" hereunder having a Commitment equal to the amount set forth therefor in such Increase Request, provided, however, that in each such case: (I) immediately before and after giving effect thereto, no Default or Event of Default shall or would exist, (II) each such Incremental Lender shall have executed and delivered to the Administrative Agent a supplement to this Agreement, in the form annexed hereto as Exhibit I, providing for its increased Commitment or its Commitment, as applicable, in form approved by the Administrative Agent, (III) immediately after giving effect thereto, the Total Commitment under this Agreement shall not exceed \$300,000,000, (IV) each such Increase Request shall be in an aggregate minimum amount of \$10,000,000 or an integral multiple of \$5,000,000 in excess thereof, and (V) the Commitment extended by any such Incremental Lender which is a New Lender shall be in a minimum amount of \$5,000,000 or an integral multiple of \$1,000,000 in excess thereof.

(d) Simultaneously with each increase in the aggregate amount of the Commitments under Section 2.03(c), each Incremental Lender shall, to the extent necessary, purchase from each other Lender, and each other Lender shall sell to each Incremental Lender, in each case at par and without representation, warranty, or recourse (in accordance with and subject to the restrictions contained in Section 10.03), such principal amount of the Loans of such other Lender, together with all accrued and unpaid interest thereon, as will result, after giving effect to such transaction, in each Lender's Applicable Percentage of Loans outstanding being equal to such Lender's Applicable Percentage of all Loans, provided that each such assignor Lender shall have received (to the extent of the interests, rights and obligations assigned) payment of the outstanding principal amount of such Loans, accrued interest thereon, accrued fees, commissions and all other amounts payable to it under the Credit Documents from the applicable assignee Lenders (to the extent of such outstanding principal and accrued interest, fees and commissions) or the Borrower (in the case of all other amounts).

(e) The Borrower may, by written notice to the Administrative Agent (which shall promptly deliver a copy to each of the Lenders) not less than 30 days and not more than 90 days prior to the first, second, third, fourth and/or fifth anniversary of the Restatement Effective Date, an Extension Request, in the form annexed hereto as Exhibit H, signed by the Borrower, request that the Lenders extend the Termination Date then in effect and the Commitments for an additional period of one year. Each Lender shall, by notice to the Borrower and the Administrative Agent given not later than the 15th day after the date of the Administrative Agent's receipt of the Borrower's extension request, advise the Borrower whether or not it agrees to the requested extension (each Lender agreeing to a requested extension being called a "Consenting Lender" and each Lender declining to agree to a requested extension being called a "Declining Lender"). Any Lender that has not so advised the Borrower and the Administrative Agent by such day shall be deemed to have declined to agree to such extension and shall be a Declining Lender. If Lenders constituting the Required Lenders shall have agreed to an extension request in their sole and absolute discretion, then the Termination Date shall, as to the Consenting Lenders, be extended to the first anniversary of the Termination Date theretofore in effect. The decision to agree or withhold agreement to any Termination Date extension shall be at the sole discretion of each Lender. The Commitment of any Declining Lender shall terminate on the Termination Date in effect prior to giving effect to any such extension (such Termination Date being called the "Existing Termination Date"). Notwithstanding the foregoing provisions of this Section 2.03(e), the Borrower shall have the right, with the prior written consent (not to be unreasonably withheld) of the Administrative Agent, at any time prior to the Existing Termination Date, to replace a Declining Lender with a Lender or Eligible Institution that will agree to a request for the extension of the Termination Date then in effect, and any such Replacement Lender shall

for all purposes constitute a Consenting Lender; provided, however, that in each such case (i) each such Replacement Lender shall have executed and delivered to the Administrative Agent a supplement to this Agreement, in the form annexed hereto as Exhibit J, providing for its Commitment, and (ii) the Declining Lender shall assign, in accordance with Section 10.03(a), all or part, as the case may be, of its Loans, Commitment, Revolving Credit Note and other rights and obligations under this Agreement and all other Credit Documents to such Replacement Lender, in exchange for payment of the principal of, and interest accrued to the date of such payment on, Loans owing to such Declining Lender and any accrued Commitment Fees owing to such Declining Lender; and upon such payments, the obligations of such Declining Lender hereunder in respect of its Commitment shall, by the provisions hereof, be released and discharged and such Replacement Lender shall be and become a "Lender" hereunder having a Commitment equal to the amount set forth therefor in such supplement. Notwithstanding the foregoing, no extension of the Termination Date pursuant to this paragraph shall become effective unless (i) the Administrative Agent shall have received documents consistent with those delivered with respect to the Lender under Section 6.01(c), (d), (e)(ii) (it being understood and agreed that the date referred to in Section 6.01(e)(ii) shall refer to the date of the then most recently delivered audited financial statements required to be delivered pursuant to Section 7.01(a)(i), (e)(iii), (e)(iv) and (e)(v), giving effect to such extension and (ii) on the date on which the Required Lenders shall have agreed to an extension request, (A) the conditions set forth in Section 6.02(b) shall be satisfied and (B) the representations and warranties contained in Section 5.01 shall be true and correct in all material respects (except to the extent that any representation or warranty speaks as of a date certain), except for any representation or warranty that is qualified by materiality or reference to Material Adverse Effect (in which case such representation or warranty shall be true and correct in all respects), and the Administrative Agent shall have received a certificate with respect to the matters referred to in clauses (A) and (B) dated such date and executed by a Responsible Officer. Unless a Declining Lender ceases to be a Lender hereunder pursuant to the above provisions in this Section 2.03(e), the Borrower hereby agrees to pay to the Administrative Agent in accordance with the terms of this Agreement, for distribution to the Declining Lenders, all of the outstanding Loans made by the Declining Lenders, together with all accrued and unpaid interest thereon and all accrued fees and other amounts payable to or for the accounts of the Declining Lenders on the Existing Termination Date, and, upon each Declining Lender's receipt of such amounts, such Declining Lender shall cease to be a Lender hereunder.

Section 2.04 Repayment.

All Loans shall be repaid, together with all accrued and unpaid interest thereon, on the Termination Date.

Section 2.05 Optional Prepayment.

The Borrower may prepay Loans bearing interest on the same basis and having the same Interest Periods, if any, by giving notice to the Administrative Agent not later than 1:00 P.M., New York time, on the third U.S. Government Securities Business Day preceding the proposed date of prepayment, in the case of SOFR Loans, or not later than 1:00 P.M., New York time, on the Business Day of the proposed prepayment, in the case of ABR Loans. Each such prepayment of SOFR Loans shall be in an aggregate principal amount of \$2,500,000 or in integral multiples of \$1,000,000 in excess thereof (or, if the aggregate amount of outstanding Term SOFR Loans or Daily Simple SOFR Loans, as applicable, is less than \$2,500,000, then all of such lesser amount), and each prepayment of ABR Loans shall be in an aggregate amount of \$1,000,000 or in integral multiples of \$100,000 in excess thereof (or, if the aggregate amount of outstanding ABR Loans is less than \$1,000,000, then all of such lesser amount), and, in the case of Term SOFR Loans, together with the amounts required by Section 4.03, accrued interest on the principal being prepaid to the date of prepayment. Subject to the terms and conditions of this Agreement, prepaid Loans may be reborrowed.

Section 2.06 Defaulting Lenders.

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) Commitment Fees shall cease to accrue on the Commitment of such Defaulting Lender pursuant to Section 3.07;

(ii) the Commitment and Loans of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 11.06); provided that any waiver, amendment or modification that would (A) increase the Commitment of such Defaulting Lender or subject such Defaulting Lender to any additional obligations, (B) reduce the principal of, or interest on, the Loans made by such Defaulting Lender or (C) postpone any date fixed for any payment of principal of, or interest on, the Loans made by such Defaulting Lender (which, for avoidance of doubt, shall not include forbearing from exercising remedies as a result thereof), shall require the consent of such Defaulting Lender; and

(iii) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender) shall, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative

Agent, in the following order of priority: (A) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (B) second, as the Borrower may request (so long as no Default or Event of Default exists) to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, (C) third, if so determined by the Administrative Agent and the Borrower, held in such account as cash collateral for future funding obligations of the Defaulting Lender in respect of any Loans under this Agreement, and (D) fourth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement.

(b) The Borrower may, by ten Business Days' notice in writing to the Administrative Agent and a Defaulting Lender, (i) request such Defaulting Lender to cooperate with the Borrower in obtaining a Replacement Lender for such Defaulting Lender; (ii) request the non-Defaulting Lenders to acquire and assume all or a portion of such Defaulting Lender's Loans and Commitment, but none of such Lenders shall be obligated to do so; or (iii) propose a Replacement Lender. If a Replacement Lender shall be accepted by the Administrative Agent or one or more of the non-Defaulting Lenders shall agree to acquire and assume all or part of a Defaulting Lender's Loans and Commitment, then such Defaulting Lender shall assign, in accordance with Section 10.03(a), all or part, as the case may be, of its Loans, Commitment, Revolving Credit Note and other rights and obligations under this Agreement and all other Credit Documents to such Replacement Lender or non-Defaulting Lenders, as the case may be, in exchange for payment of the principal of, and interest accrued to the date of such payment on, Loans owing to such Defaulting Lender and any accrued Commitment Fees owing to such Defaulting Lender; and upon such payments, the obligations of such Defaulting Lender hereunder in respect of its Commitment shall, by the provisions hereof, be released and discharged; provided, however, that such Defaulting Lender's rights under Sections 4.03, 4.04 and 4.06, and its obligations under Section 9.06 shall survive such release and discharge as to matters occurring prior to such date; provided further, however, that such assignment shall be on the terms and conditions set forth in Section 10.03(a). If the Replacement Lender and the non-Defaulting Lenders shall only be willing to acquire less than all of a Defaulting Lender's outstanding Loans and Commitment, the Commitment of such Defaulting Lender shall not terminate, but shall be reduced proportionately, and such Defaulting Lender shall continue to be a "Lender" hereunder with a reduced Commitment and Pro Rata Share. Upon the effective date of such assignment, such Replacement Lender shall, if not already a Lender, become a "Lender" for all purposes under this Agreement and the other Credit Documents.

(c) The rights and remedies against a Defaulting Lender under this Section 2.06 are in addition to other rights and remedies that the Borrower, the Administrative Agent or any Lender may have against such Defaulting Lender.

(d) In the event that the Administrative Agent and the Borrower agree that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans ratably in accordance with its Commitments and such Lender shall no longer be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided further that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III

INTEREST AND FEES

Section 3.01 Interest Rate Determination; Conversion.

(a) Except to the extent that the Borrower shall request, in a Borrowing Request, in a Conversion Request or in a written election pursuant to Section 3.03(a) or (b), that Loans (or portions thereof) bear interest as Term SOFR Loans or Daily Simple SOFR Loans, Loans shall bear interest as ABR Loans.

(b) The Borrower may request, by giving a Conversion Request to the Administrative Agent, not later than 1:00 P.M., New York time, on the third U.S. Government Securities Business Day prior to the requested Conversion Date, that all or portions of the outstanding Loans, in the aggregate principal amount of \$2,500,000 or in integral multiples of \$1,000,000 in excess thereof, in the case of Loans being converted to or continued as SOFR Loans, and in the aggregate principal amount of \$1,000,000 or in integral multiples of \$100,000 in excess thereof (or, if the aggregate principal amount of outstanding Loans is less than \$1,000,000, then all such lesser amount), in the case of ABR Loans, bear interest from and after the Conversion Date as ABR Loans, Term SOFR Loans, or Daily Simple SOFR Loans; provided, however, that during the continuance of any Default or Event of Default that shall have occurred, no Loan (or portion thereof) may be converted into SOFR Loans. Upon receipt, the Administrative Agent forthwith shall give notice to each Lender of the substance of each Conversion Request. Upon payment by the Borrower of the amounts, if any, required by Section 4.03, on the Conversion Date the Loans or portions thereof as to which the Conversion Request was made shall commence to accrue interest in the manner selected by the Borrower therein.

Section 3.02 Interest on ABR Loans.

Each ABR Loan shall bear interest from the date made until the date repaid, or (if converted into a SOFR Loan) to (but excluding) the first day of any relevant Interest Period (or the date of such conversion to a Daily Simple SOFR Loan, as the case may be), payable in arrears on the last day of each calendar quarter of each year, commencing with the first such date after the Restatement Effective Date, and on the date such Loan is repaid, at a rate per annum equal to the sum of (i) the Applicable Margin and (ii) the Alternate Base Rate in effect from time to time, which rate shall change as and when said Applicable Margin or Alternate Base Rate shall change.

Section 3.03 Interest on SOFR Loans.

(a) Each Term SOFR Loan shall bear interest from the date made until the date repaid or converted to an ABR Loan or Daily Simple SOFR Loan, payable in arrears, with respect to Interest Periods of three months or less, on the last day of such Interest Period, and with respect to Interest Periods longer than three months, the respective dates that fall every three months after the commencement of such Interest Period and on the last day of such Interest Period, at a rate per annum equal to the sum of (i) the Applicable Margin and (ii) Adjusted Term SOFR for such Interest Period. Each Term SOFR Loan shall become an ABR Loan at the end of the Interest Period therefor, unless (x) there shall not have occurred and be continuing a Default or Event of Default and (y) not later than the third Business Day prior to the last day of such Interest Period, (A) the Borrower shall have delivered to the Administrative Agent an irrevocable written election of the subsequent Interest Period, in which case such Term SOFR Loan shall remain outstanding as a Term SOFR Loan, or (B) the Borrower shall have delivered to the Administrative Agent a Conversion Request with respect thereto, in which case such Term SOFR Loan shall be converted in accordance with Section 3.01(b).

(b) Each Daily Simple SOFR Loan shall bear interest from the date made until the date repaid, or (if converted into a Term SOFR Loan or an ABR Loan) to (but excluding) the date of such conversion or the first day of any relevant Interest Period, as the case may be, payable in arrears on the Daily Simple SOFR Payment Date with respect to such Loan, and on the date such Loan is repaid, at a rate per annum equal to the sum of (i) the Applicable Margin and (ii) Adjusted Daily Simple SOFR in effect on the date, which rate shall change as and when said Applicable Margin or Adjusted Daily Simple SOFR shall change. Each Daily Simple SOFR Loan shall become an ABR Loan on the Daily Simple SOFR Payment Date with respect thereto, unless (x) there shall not have occurred and be continuing a Default or Event of Default and (y) not later than the third U.S. Government Securities Business Day prior to the Daily Simple SOFR Payment Date, (A) the Borrower shall have delivered to the Administrative Agent an irrevocable written election to continue the Daily Simple SOFR Loan as a new Daily Simple SOFR Loan, in which case such Daily Simple SOFR Loan shall remain outstanding as a new Daily Simple SOFR Loan (and, for the purposes of determining the Daily Simple SOFR Payment Date with respect thereto, the date that such Daily Simple SOFR Loan is continued shall be the U.S. Government Securities Business Day after the Daily Simple SOFR Payment Date in effect prior to such continuation), or (B) the Borrower shall have delivered to the Administrative Agent a Conversion Request with respect thereto, in which case such Daily Simple SOFR Loan shall be converted in accordance with Section 3.01(b).

(c) In connection with the use or administration of Term SOFR and Daily Simple SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR or Daily Simple SOFR.

Section 3.04 Interest on Overdue Amounts.

All overdue amounts (including principal, interest and fees) hereunder shall bear interest, payable on demand, at a rate per annum equal to the sum of (i) 2% and (ii) in the case of Term SOFR Loans, the rate then applicable until the end of the current Interest Period therefor, and thereafter the rate of interest applicable to ABR Loans, changing as and when such rate shall change, and in the case of ABR Loans and Daily Simple SOFR Loans, the rate of interest applicable to ABR Loans, changing as and when such rate shall change.

Section 3.05 Day Counts.

Interest on ABR Loans shall be calculated on the basis of (a) a 365- or, if applicable, a 366-day year for the actual number of days elapsed for so long as interest is determined pursuant to clause (i) of the definition of "Alternate Base Rate" and (b) a 360-day year for the actual number of days elapsed for so long as interest is determined based on clause (ii) or clause (iii) of the definition of "Alternate Base Rate". Interest on all other Loans, and all fees shall be calculated on the basis of a 360-day year for the actual number of days elapsed.

Section 3.06 Maximum Interest Rate.

(a) Nothing in this Agreement shall require the Borrower to pay interest at a rate exceeding the maximum rate permitted by applicable law. Neither this Section nor Section 11.01 is intended to limit the rate of interest payable for the account of any Lender to the maximum rate permitted by the laws of the State of New York (or any other applicable law) if a higher rate is permitted with respect to such Lender by supervening provisions of U.S. Federal law.

(b) If the amount of interest payable for the account of any Lender on any interest payment date in respect of the immediately preceding interest computation period, computed pursuant to this Article III, would exceed the maximum amount permitted by applicable law to be charged by such Lender, the amount of interest payable for its account on such interest payment date shall automatically be reduced to such maximum permissible amount.

(c) If the amount of interest payable for the account of any Lender in respect of any interest computation period is reduced pursuant to Section 3.06(b) and the amount of interest payable for its account in respect of any subsequent interest computation period would be less than the maximum amount permitted by law to be charged by such Lender, then the amount of interest payable for its account in respect of such subsequent interest computation period shall be automatically increased to such maximum permissible amount; provided that at no time shall the aggregate amount by which interest paid for the account of any Lender has been increased pursuant to this Section 3.06(c) exceed the aggregate amount by which interest paid for its account has theretofore been reduced pursuant to Section 3.06(b).

Section 3.07 Commitment Fees.

The Borrower agrees to pay to the Administrative Agent, for the account of each Lender, on the last day of each calendar quarter of each year, commencing with the first such day after the Restatement Effective Date (or such later date on which such Lender becomes a Lender), and on the Termination Date (or other date on which the Commitment shall terminate) with respect to such Lender, a fee (the "Commitment Fee") computed by applying (i) on each day on which the applicable Pricing Level set forth below is in effect, the percentage per annum set forth below adjacent to such Pricing Level on such day during the then-ending quarter (or shorter period ending with the Termination Date or any other date on which the Commitment of such Lender shall terminate) to (ii) the amount of such Lender's Unused Commitment on such day:

<u>Pricing Level</u>	<u>Commitment Fee</u>
I	0.075%
II	0.080%
III	0.100%
IV	0.150%
V	0.175%
VI	0.200%

ARTICLE IV

DISBURSEMENT AND PAYMENT

Section 4.01 Disbursement.

(a) Each Loan shall be made by the relevant Lender from such Lender's branch or affiliate identified as its Applicable Lending Office.

(b) The failure of any Lender to make any Loan to be made by it on the Borrowing Date therefor shall not relieve any other Lender of its obligation to make its Loan or Loans on such date, but neither any Lender nor the Administrative Agent shall be responsible for the failure of any other Lender to make a Loan to be made by such other Lender.

(c) The Administrative Agent may, but shall not be required to, advance on behalf of any Lender the amount of such Lender's Loan to be made on a Borrowing Date, unless such Lender shall have notified the Administrative Agent prior to such Borrowing Date that it does not intend to make such Loan on such date. If the Administrative Agent makes any such advance, the Administrative Agent shall be entitled to recover the amount so advanced on demand from the Lender on whose behalf such advance was made and, if such Lender does not pay the Administrative Agent the amount of such advance on demand, the Borrower agrees promptly to repay such amount to the Administrative Agent. Until such amount is repaid to the Administrative Agent by such Lender or the Borrower, such advance shall be deemed for all purposes to be a Loan made on such Borrowing Date by the Administrative Agent. The Administrative Agent shall be entitled to recover from the Lender or the Borrower, as the case may be, interest on the amount advanced by it for each day from the Borrowing Date therefor until repaid to the Administrative Agent, at a rate per annum equal to the Federal Funds Effective Rate until the third Business Day after the date of the advance and, thereafter, at the rate per annum equal to the relevant rate on Loans made on the relevant Borrowing Date.

Section 4.02 Method and Time of Payments; Sharing among Lenders.

(a) All funds received by the Administrative Agent for the account of the Lenders in respect of payments made by the Borrower under, or from any other Person on account of, any Credit Document shall be distributed forthwith by the Administrative Agent among the Lenders, in like funds as received, ratably in proportion to their respective interests therein. Each payment of Commitment Fees and each reduction of the Total Commitment shall be apportioned among the Lenders in proportion to each Lender's Pro Rata Share.

(b) All payments by the Borrower hereunder shall be made without setoff or counterclaim to the Administrative Agent, for its account or for the account of the Lender or Lenders entitled thereto, as the case may be, in U.S. dollars and in immediately available funds at the office of the Administrative Agent prior to 3:00 P.M., New York time, on the date when due; provided, however, that the Borrower shall have setoff rights with respect to any Defaulting Lender with the application of any amounts payable to a Defaulting Lender to be administered by the Administrative Agent pursuant to Section 2.06(a)(iii).

(c) Whenever any payment from the Borrower shall be due on a day that is not a Business Day, the date of payment thereof shall be extended to the next succeeding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment from the Borrower is due that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, but shall not be obligated to, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Effective Rate.

(e) If any Lender shall receive from the Borrower or any other Person any amount owing under any Credit Document (whether received pursuant to the exercise of any right of set-off, banker's lien, realization upon any security held for or appropriated to such obligation or otherwise) other than in proportion to such Lender's ratable share thereof, then such Lender shall purchase from each other Lender a participating interest in so much of the other Lenders' Loans as shall be necessary in order that each Lender shall share such payment with each of the other Lenders in proportion to each Lender's ratable share; provided that nothing herein contained shall obligate any Lender to apply any set-off, banker's lien or collateral security first to the obligations of the Borrower hereunder if the Borrower is obligated to such Lender pursuant to other loans or notes. If any purchasing Lender shall be required to return any excess payment received by it, such participation shall be rescinded and the purchase price restored to the extent of such return, but without interest.

Section 4.03 Compensation for Losses.

(a) If (i) the Borrower makes a prepayment of a Term SOFR Loan, or a Conversion Date occurs for a Term SOFR Loan, other than on the last day of the relevant Interest Period, (ii) the Borrower fails to borrow, convert, continue or prepay any Term SOFR Loan on the date specified in any notice delivered pursuant hereto, (iii) the Borrower revokes any Borrowing Request for Term SOFR Loans, (iv) Term SOFR Loans (or portions thereof) are converted into ABR Loans or Daily Simple SOFR Loans

pursuant to Section 4.05 at any time other than at the end of an Interest Period or (v) Term SOFR Loans (or portions thereof) shall become or be declared to be due prior to the scheduled maturity thereof, then the Borrower shall pay to each Lender an amount that will compensate such Lender for any loss (other than lost profit) or premium or penalty incurred by such Lender as a result of such prepayment, conversion, declaration or revocation in respect of funds obtained for the purpose of making or maintaining such Lender's Term SOFR Loans, or any portion thereof. Such compensation shall include any loss, cost and expense attributable to such event arising from the liquidation or redeployment of funds.

(b) In connection with a demand for payment pursuant to this Section 4.03, a Lender shall provide to the Borrower, with a copy to the Administrative Agent, a certificate, signed by an officer of such Lender, setting forth in reasonable detail the amount required to be paid by the Borrower to such Lender and the computations made by such Lender to determine such amount. In the absence of demonstrable error, such certificate shall be conclusive as to the amount so required to be paid.

Section 4.04 Withholding and Additional Costs.

(a) Withholding.

(i) To the extent permitted by law, all payments under this Agreement and under the Revolving Credit Notes (including payments of principal and interest) shall be payable to each Lender free and clear of any and all present and future taxes, levies, imposts, duties, deductions, withholdings, fees, liabilities and similar charges other than Excluded Taxes (collectively, "Taxes"). If any Taxes are required to be withheld or deducted from any amount payable under this Agreement, then the amount payable under this Agreement shall be increased to the amount which, after deduction from such increased amount of all Taxes required to be withheld or deducted therefrom, will yield to such Lender the amount stated to be payable under this Agreement. The Borrower shall also hold each Lender harmless and indemnify it for any stamp or other taxes with respect to the preparation, execution, delivery, recording, performance or enforcement of the Credit Documents (all of which shall be included within "Taxes"). If any of the Taxes specified in this Section 4.04(a) are paid by any Lender, the Borrower shall, upon demand of such Lender, promptly reimburse such Lender for such payments, together with any interest, penalties and expenses incurred in connection therewith; provided, however, that the Borrower shall not be required to reimburse any Lender for any penalties incurred or caused by the failure or delay on the part of such Lender to pay any of the Taxes specified in this Section 4.04(a). The Borrower shall deliver to the Administrative Agent certificates or other valid vouchers for all Taxes or other charges deducted from or paid with respect to payments made by the Borrower hereunder. Notwithstanding the foregoing, the Borrower shall be entitled, to the extent required to do so by law, to deduct or withhold (and shall not be required to make payments as otherwise required by this Section 4.04 on account of such deductions or withholdings)

income or other similar taxes imposed by the United States of America from interest, fees or other amounts payable hereunder for the account of any Lender other than a Lender (A) that is a U.S. Person for U.S. federal income tax purposes or (B) that has the Prescribed Forms on file with the Borrower for the applicable year to the extent deduction or withholding of such taxes is not required as a result of such filing of such Prescribed Forms; provided that, if the Borrower shall so deduct or withhold any such taxes, the Borrower shall provide a statement to the Administrative Agent and such Lender, setting forth the amount of such taxes so deducted or withheld, the applicable rate and any other information or documentation which such Lender may reasonably request for assisting such Lender to obtain any allowable credits or deductions for the taxes so deducted or withheld in the jurisdiction or jurisdictions in which such Lender is subject to tax.

(ii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E (the "Prescribed Forms") establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(B) executed copies of IRS Form W-8ECI;

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit K-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(D) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-2 or Exhibit K-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-4 on behalf of each such direct and indirect partner;

(iii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(iv) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(b) Additional Costs. Subject to Sections 4.04(c), (d) and (e):

(i) Without duplication of any amounts payable described in Section 3.03 or 4.03(a), if after the date hereof, any Regulatory Change shall (1) impose, modify or deem applicable any reserve, special deposit or similar requirement against any Lender's Commitment or Loans, (2) subject the Administrative Agent or any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Excluded Taxes (other than Taxes measured by the overall capital or net worth of the Administrative Agent or such Lender) and (C) Other Connection Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, or (3) impose on any Lender (or such Lender's Applicable Lending Office) any other condition regarding this Agreement, its Commitment or the Loans and the result of any event referred to in clause (1), (2) or (3) shall be to increase the cost to such Lender (or such Lender's Applicable Lending Office) of maintaining its Commitment or any SOFR Loans made by such Lender (which increase in cost shall be calculated in accordance with such Lender's reasonable averaging and attribution methods) by an amount which such Lender deems to be material, then, upon demand by such Lender, the Borrower shall pay to the Administrative Agent or such Lender, as the case may be, on demand, an amount equal to such increase in cost; and

(ii) Without duplication of any amounts payable described in Section 3.03 or 4.03(a), if any Lender shall have determined that any Regulatory Change relating to capital adequacy or liquidity (including any Regulatory Change made prior to the date hereof but not effective until after the date hereof), or compliance by such Lender (or such Lender's Applicable Lending Office) with any Regulatory Change regarding capital adequacy or liquidity (whether or not having the force of law), has or would have the effect of, reducing the rate of return on capital for such Lender (or such Lender's Applicable Lending Office) or any corporation controlling such Lender as a consequence of its obligations under this Agreement to a level below that which such Lender (or such Lender's Applicable Lending Office) or such corporation could have achieved but for such Regulatory Change (taking into consideration such Lender's (or such Lender's Applicable Lending Office) or such corporation's policies with respect to capital adequacy or liquidity), then from time to time, upon demand by such Lender, the Borrower shall pay to such Lender, on demand, such additional amount or amounts as will compensate such Lender (or such Lender's Applicable Lending Office) or such corporation for such reduction.

(c) Lending Office Designations. Before making any demand for payment pursuant to this Section 4.04, each Lender shall, if possible, designate a different Applicable Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender.

(d) Certificate, Etc. In connection with any demand for payment pursuant to this Section 4.04, a Lender shall provide to the Borrower, with a copy to the Administrative Agent, a certificate, signed by an officer of such Lender, setting forth in reasonable detail the basis for such demand, the amount required to be paid by the Borrower to such Lender and the computations made by such Lender to determine such amount.

(e) Limitations; Delay in Requests. The Borrower shall not be obligated to compensate a Lender for any amount under Section 4.04(b) arising or occurring more than (i) 90 days prior to the date on which an office of such Lender primarily responsible for the administration of this Agreement obtains actual knowledge that such Lender is entitled to such compensation or (ii) nine months prior to the date that such Lender notifies the Borrower of the Regulatory Change giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Regulatory Change giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(f) FATCA. If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA

(including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by any Requirement of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 4.04(f), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(g) Cooperation. The Borrower agrees, upon the request of the Administrative Agent or any Lender, promptly to execute, deliver and complete such forms, certificates and other documents, make such filings and otherwise cooperate with the Administrative Agent or such Lender, in each case as the Administrative Agent or such Lender may reasonably request from time to time, in order for the Administrative Agent or such Lender to establish that the Administrative Agent or such Lender is not subject to, or is entitled to a reduction in the amount of or exemption from, any deduction, withholding or other Taxes with respect to any payments to the Administrative Agent or such Lender for principal, interest, fees or other amounts under the Credit Documents, including United Kingdom HM Revenue & Customs' Form DTTP2.

Section 4.05 Funding Impracticable; Alternate Rate of Interest.

(a) If at any time any Lender shall have determined in good faith (which determination shall be conclusive) that the making or maintenance of all or any part of such Lender's SOFR Loans has been made impracticable or unlawful because of compliance by such Lender in good faith with any law or guideline or interpretation or administration thereof by any Governmental Authority charged with the interpretation or administration thereof or with any request or directive of such body (whether or not having the effect of law) then the Administrative Agent, upon notification to it of such determination by such Lender, shall forthwith advise the other Lenders and the Borrower thereof. Upon such date as shall be specified in such notice and until such time as the Administrative Agent, upon notification to it by such Lender, shall notify the Borrower and the other Lenders that the circumstances specified by it in such notice no longer apply, (i) notwithstanding any other provision of this Agreement, such SOFR Loans shall, automatically and without requirement of further notice, or any payment pursuant to Section 4.03 or 4.04, by the Borrower, be converted to ABR Loans, and (ii) the obligation of such Lender to make or continue SOFR Loans shall be suspended, and, if the Borrower shall request in a Borrowing Request or a Conversion Request that the Lenders make a SOFR Loan, the Loan requested to be made by such Lender shall instead be made as an ABR Loan.

(b) Subject to Section 4.09, if, at any time with respect to any Daily Simple SOFR Loan, and prior to the commencement of any Interest Period with respect to any Term SOFR Loan:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that adequate and reasonable means do not exist for ascertaining Adjusted Daily Simple SOFR or Adjusted Term SOFR for such Interest Period, as the case may be; or

(ii) the Administrative Agent is advised by the Required Lenders that (A) Adjusted Daily Simple SOFR or Adjusted Term SOFR for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Daily Simple SOFR Loans or Term SOFR Loans, as the case may be, for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders (upon the instruction of the Required Lenders with respect to notice given pursuant to clause (ii) above) that the circumstances giving rise to such notice no longer exist, (i) any Conversion Request that requests the conversion of any Loan to, or continuation of any Loan as, a SOFR Loan shall be ineffective, and (ii) if any Borrowing Request requests a SOFR Loan, such Loan shall be made as an ABR Loan. Any Daily Simple SOFR Loans outstanding at the commencement of any such suspension shall be immediately converted into ABR Loans. Any Term SOFR Loans outstanding at the commencement of any such suspension shall be converted at the end of the then current Interest Period for such Term SOFR Loans into ABR Loans, unless such suspension has then ended.

(c) The Administrative Agent does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission of, calculation of or any other matter related to the Alternate Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR, Adjusted Daily Simple SOFR, Daily Simple SOFR, or Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the Alternate Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR, Adjusted Daily Simple SOFR, Term SOFR, Daily Simple SOFR, or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of the Alternate Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR, Adjusted Daily Simple SOFR, Term SOFR, Daily

Simple SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain the Alternate Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR, Adjusted Daily Simple SOFR, Term SOFR, Daily Simple SOFR or any other Benchmark, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Section 4.06 Expenses; Indemnity; Damage Waivers.

(a) The Borrower agrees, whether or not any Loan is made, to pay or reimburse the Administrative Agent all of its reasonable out-of-pocket fees and expenses incurred in connection with the development, preparation, negotiation, execution, closing and syndication of, the Credit Documents and the administration of the credit facility established under the Credit Documents and any amendment, supplement or modification thereto (whether or not executed or effective) and any documents prepared in connection therewith, including, without limitation, the reasonable fees and disbursements of counsel to the Administrative Agent and the maintenance of an electronic platform (including without limitation charges of Debtdomain or any similar electronic information platform) or information transmission systems in connection with this Agreement.

(b) The Borrower agrees to pay all reasonable out-of-pocket fees and expenses incurred by the Administrative Agent and, after the occurrence and during the continuance of an Event of Default, the Joint Lead Arrangers, the Joint Bookrunners or any Lender (including, without limitation, the reasonable fees and disbursements of one counsel to the Administrative Agent, unless (and to the extent) conflicts of interest require the use of more than one counsel) in connection with the enforcement of, and the protection of their respective rights under, any provision of any Credit Document or any amendment or supplement to this Agreement (including all such fees and expenses incurred during any “workout” or restructuring in respect of the Obligations and during any legal proceeding, including any bankruptcy proceeding).

(c) The Borrower agrees to indemnify the Administrative Agent, the Joint Lead Arrangers, the Joint Bookrunners, each of the Lenders and each of their respective Affiliates and their respective directors, officers, employees, agents and advisors (each, an “Indemnatee”) against, and to hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related expenses, including counsel fees and expenses, incurred by or asserted against any Indemnatee arising out of, in any way connected with, or as a result of (i) the execution or delivery of any Credit Document or any agreement or instrument contemplated by any Credit Document, the

performance by the parties thereto of their respective obligations under any Credit Document or the consummation of the transactions contemplated by any Credit Document, (ii) the use of the proceeds of the Loans or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. In connection with any claim for indemnification pursuant to this Agreement by more than one Indemnitee, all such Indemnitees shall be represented by the same legal counsel selected by the Indemnitees; provided that if such legal counsel determines in good faith that representing all such Indemnitees is reasonably likely to result in a conflict of interest under laws or ethical principles applicable to such legal counsel or that a defense or counterclaim is available to an Indemnitee that is not available to all such Indemnitees, then to the extent reasonably necessary to avoid such a conflict of interest or to permit unqualified assertion of such a defense or counterclaim, each Indemnitee shall be entitled to separate representation.

(d) All amounts due under this Section 4.06 shall be payable in immediately available funds upon written demand therefor.

(e) To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Credit Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan, or the use of the proceeds thereof. No Indemnitee referred to in paragraph (c) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby.

Section 4.07 Survival.

The provisions of Sections 4.03, 4.04, 4.06 and 9.06, shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the reduction or termination of any Commitments, the invalidity or unenforceability of any term or provision of any Credit Document, or any investigation made by or on behalf of the Lenders.

Section 4.08 Replacement of a Lender.

Notwithstanding anything to the contrary contained herein, if any Lender shall request compensation pursuant to Section 4.04(b)(i) or (ii) then, in each case, the Borrower may require that such Lender transfer all of its right, title and interest under this Agreement and such Lender's Revolving Credit Notes to one or more of the other Lenders or any other lender identified by the Borrower and reasonably acceptable to the Administrative Agent as a Replacement Lender which is willing to assume all of the obligations of such Lender, for consideration equal to the outstanding principal amount of such Lender's Loans, together with interest thereon to the date of such transfer and all other amounts payable under the Credit Documents to such Lender on or prior to the date of such transfer (including, without limitation, any fees accrued hereunder and any amounts which would be payable under Section 4.03 as if all of such Lender's Loans were being

prepaid in full on such date). Subject to the execution and delivery of new notes, an Assignment and Acceptance, and such other documents as such Lender may reasonably require, such Replacement Lender shall be a “Lender” for all purposes hereunder. Without prejudice to the survival of any other agreement of the Borrower hereunder, the agreements of the Borrower contained in Sections 4.04 and 4.06 (without duplication of any payments made to such Lender by the Borrower or the Replacement Lender) shall survive for the benefit of any Lender replaced under this Section 4.08 with respect to the time prior to such replacement.

Section 4.09 Benchmark Replacement Setting.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Credit Document, upon the occurrence of a Benchmark Transition Event in relation to any then-current Benchmark, the Administrative Agent and the Borrower may amend this Agreement to replace the impacted then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 4.09(a) will occur prior to the applicable Benchmark Transition Start Date.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will promptly notify the Borrower of the removal or reinstatement of any tenor of a Benchmark pursuant to Section 4.09(d). Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 4.09, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 4.09.

(d) **Unavailability of Tenor of Benchmark.** Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the administrator of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks, then the Administrative Agent, in consultation with the Borrower, may modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable, non-representative, non-compliant or non-aligned tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks for a Benchmark (including a Benchmark Replacement), then the Administrative Agent, in consultation with the Borrower, may modify the definition of “Interest Period” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) **Benchmark Unavailability Period.** Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a SOFR Loan of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to ABR Loans. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

(f) Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a Term SOFR Loan of, conversion to or continuation of Term SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to ABR Loans. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

Section 5.01 Representations and Warranties.

The Borrower represents and warrants to the Administrative Agent and each Lender as follows:

(a) Corporate Existence.

(i) The Borrower and each of its Significant Subsidiaries has been duly organized or formed and is validly existing and in good standing under the laws of its jurisdiction of incorporation or formation;

(ii) the Borrower and each of its Significant Subsidiaries has the corporate (or analogous) power and authority and all necessary governmental licenses, authorizations, consents and approvals material to the ownership of its assets and the carrying on of its business except as would not be reasonably expected to have a Material Adverse Effect;

(iii) the Borrower has the power and authority and all governmental licenses, authorizations, consents and approvals to execute, deliver and perform its obligations under this Agreement and the Revolving Credit Notes; and

(iv) the Borrower is duly qualified as a foreign corporation, licensed and in good standing under the laws of each jurisdiction where its ownership, lease or operation of Property or the conduct of its business requires such qualification, except any such failure to be qualified, licensed or in good standing as would not be reasonably expected to have a Material Adverse Effect.

(b) Corporate Authorization; No Contravention. The execution, delivery, and performance by the Borrower of the Credit Documents have been duly authorized by all necessary corporate action and do not and will not:

(i) contravene the terms of the Borrower's articles of incorporation, bylaws or other organizational document;

(ii) conflict with or result in any breach or contravention of, or the creation of any Lien under, any Contractual Obligation, injunction, order or decree to which the Borrower is a party or by which it is bound; or

(iii) violate any Requirement of Law.

(c) Governmental Authorization. No consent, approval, authorization or order of any Governmental Authority is required for due execution, delivery and performance by the Borrower of the Credit Documents.

(d) Binding Effect. This Agreement is, and the Revolving Credit Notes when delivered hereunder will be, legal, valid and binding obligations of the Borrower enforceable against the Borrower in accordance with their respective terms subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(e) Litigation. There are no actions, suits, proceedings, claims or disputes pending, or to the best knowledge of the Borrower, threatened at law, in equity, in arbitration or before any Governmental Authority, against the Borrower, or its Subsidiaries or any of their respective Property which (i) purport to affect or pertain to this Agreement, or any of the transactions contemplated hereby; or (ii) would reasonably be expected to have a Material Adverse Effect. No injunction, writ, temporary restraining order or any order of any nature has been issued by any court or other Governmental Authority purporting to enjoin or restrain the execution, delivery and performance of any Credit Document or directing that the transactions provided for herein not be consummated as herein provided.

(f) No Default. No Default or Event of Default exists or would result from the incurring of the Obligations by the Borrower under this Agreement. Neither the Borrower, nor any of its Significant Subsidiaries, is in default under or with respect to any Contractual Obligation which, individually or together with all such defaults, would have a Material Adverse Effect.

(g) ERISA Compliance. (i) Each Qualified Plan is in compliance in all material respects with the applicable provisions of ERISA, the Code and other federal or state law, including all requirements under the Code or ERISA for filing reports (which are true and correct in all material respects as of the date filed), and to the best knowledge of the Borrower, benefits have been paid in accordance with the provisions of such Plan.

(ii) Each Qualified Plan has been determined by the IRS to qualify under Section 401 of the Code or is the subject of a favorable IRS opinion letter, the IRS has not determined that any amendment to any Qualified Plan does not qualify under Section 401 of the Code, and the trusts created thereunder have been determined to be exempt from tax under the provisions of Section 501 of the Code, and to the best knowledge of the Borrower, nothing has occurred which would cause the loss of such qualification or tax-exempt status.

(iii) There is no material outstanding liability under Title IV of ERISA (other than the liability of the Plan to pay benefits) with respect to any Plan maintained or sponsored by the Borrower or any ERISA Affiliate (as to which the Borrower is or may be liable), or with respect to any Plan to which the Borrower or any ERISA Affiliate (wherein the Borrower is or may be liable) contributes or is obligated to contribute.

(iv) None of the Pension Plans has any Unfunded Pension Liability in excess of ten percent (10%) of the Net Worth as to which the Borrower is or may be liable.

(v) No ERISA Event has occurred or is reasonably expected to occur with respect to any Plan maintained or sponsored by the Borrower or to which the Borrower is obligated to contribute.

(vi) There are no pending or, to the best knowledge of the Borrower, threatened claims, actions or lawsuits, other than routine claims for benefits in the usual and ordinary course, asserted or instituted against (i) any Plan maintained or sponsored by the Borrower or its assets, (ii) any ERISA Affiliate with respect to any Qualified Plan of the Borrower, or (iii) any fiduciary with respect to any Plan for which the Borrower may be directly or indirectly liable, through indemnification obligations or otherwise, which would be reasonably likely to have a Material Adverse Effect.

(vii) The Borrower has not incurred nor reasonably expects to incur (i) any liability (and no event has occurred which, with the giving of notice under Section 4219 of ERISA, would result in such liability) under Section 4201 or 4243 of ERISA with respect to a Multiemployer Plan or (ii) any liability under Title IV of ERISA (other than premiums due and not delinquent under Section 4007 of ERISA) with respect to a Qualified Plan except for liability that would not be reasonably expected to have a Material Adverse Effect.

(viii) The Borrower has not transferred any Unfunded Pension Liability to any entity other than an ERISA Affiliate or otherwise engaged in a transaction that could be subject to Section 4069 or 4212(c) of ERISA except as would not be reasonably expected to have a Material Adverse Effect.

(ix) The Borrower has not engaged, directly or indirectly, in a non-exempt prohibited transaction (as defined in Section 4975 of the Code or Section 406 of ERISA) in connection with any Plan which would have a Material Adverse Effect.

(h) Use of Proceeds; Margin Regulations. No Loans will be used, directly or indirectly, (i) to purchase or carry Margin Stock or (ii) to repay or otherwise refinance indebtedness of the Borrower or others incurred to purchase or carry Margin Stock or (iii) to extend credit for the purpose of purchasing or carrying any Margin Stock.

(i) Title to Property. The Borrower and each of its Significant Subsidiaries has sufficient and legal title in fee simple to or valid leasehold interest in all its real Property, except for such defects in title as could not, individually or in the aggregate, have a Material Adverse Effect. Such Property is free and clear of all Liens, except Permitted Liens.

(j) Taxes. The Borrower and its Subsidiaries have filed all federal and other material tax returns and reports required to be filed and have paid all federal and other material taxes, assessments, fees and other governmental charges levied or imposed upon them or their respective Property, income or assets otherwise due and payable except (a) those which are being contested in good faith by appropriate proceedings and for which adequate reserves have been provided in accordance with GAAP, and (b) those levied or imposed on Subsidiaries other than Significant Subsidiaries the nonpayment of which would not, in the aggregate, have a Material Adverse Effect. To the best knowledge of the Borrower, there is no proposed tax assessment against the Borrower or any of its Subsidiaries which would, if the assessment were made, have a Material Adverse Effect.

(k) Financial Condition.

The audited consolidated balance sheet of SGC and its consolidated Subsidiaries as of December 31, 2019 and the related consolidated statements of income, changes in shareholders' equity and cash flows for the period then ended, copies of which have been furnished to the Administrative Agent and the Lenders, fairly present the consolidated financial condition of SGC and its consolidated Subsidiaries as of, and the results of its operations and cash flows for, the period then ended, applied on a consistent basis. Such financial statements were prepared in accordance with GAAP consistently applied throughout the period covered thereby, are complete and accurate, and show all material indebtedness and other liabilities of SGC and its consolidated Subsidiaries as of the date thereof (including liabilities for taxes and material commitments).

(l) Environmental Matters.

(i) The operations of the Borrower and each of its Subsidiaries comply with all Environmental Laws except where such noncompliance would not have a Material Adverse Effect.

(ii) The Borrower and each of its Subsidiaries have obtained all licenses, permits, authorizations and registrations required under any Environmental Law ("Environmental Permits") necessary for its operations, and all

such Environmental Permits are in good standing, and the Borrower and each of its Subsidiaries are in compliance with all terms and conditions of such Environmental Permits, except where the failure so to obtain, be in good standing or be in compliance would not have a Material Adverse Effect.

similar official for it or for all or any substantial part of its assets, or the Borrower, the Intermediate Holding Company or SGC shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against the Borrower, the Intermediate Holding Company or SGC any case, proceeding or other action of a nature referred to in clause (i) above and such case, proceeding or action shall not have been vacated, discharged or stayed within 60 days from the entry thereof; or (iii) the Borrower, the Intermediate Holding Company or SGC shall consent to the institution of, or fail to controvert in a timely and appropriate manner, any case, proceeding or other action of a nature referred to above; or (iv) the Borrower, the Intermediate Holding Company or SGC shall file an answer admitting the material allegations of a petition filed against it in any case, proceeding or other action of a nature referred to above; or (v) the Borrower, the Intermediate Holding Company or SGC shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due; or (vi) the Borrower, the Intermediate Holding Company or SGC shall take corporate action for the purpose of effecting any of the foregoing; or

(j) (i) The Borrower or an ERISA Affiliate shall fail to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under a Multiemployer Plan where such failure can reasonably be expected to impose on the Borrower or an ERISA Affiliate liability (for additional taxes, to Plan participants, or otherwise) in the aggregate amount in excess of ten percent (10%) of the Net Worth; (ii) the Borrower or an ERISA Affiliate shall fail to satisfy its contribution requirements under Section 412 of the Code, whether or not it has sought a waiver under Section 412(d) of the Code where such failure can reasonably be expected to impose on the Borrower or an ERISA Affiliate liability (for additional taxes, to Plan participants, or otherwise) in the aggregate amount in excess of ten percent (10%) of the Net Worth; (iii) the Unfunded Pension Liabilities of a Plan or Plans shall exceed ten percent (10%) of the Net Worth; (iv) a Plan that is intended to be qualified under Section 401(a) of the Code shall lose its qualification, and such loss can reasonably be expected to impose on the Borrower or an ERISA Affiliate liability (for additional taxes, to Plan participants, or otherwise) in the aggregate amount of ten percent (10%) of the Net Worth or more; (v) the commencement or increase of contributions to, the adoption of, or the amendment of a Plan by, the Borrower or an ERISA Affiliate shall result in a net increase in unfunded liabilities of the Borrower or an ERISA Affiliate in excess of ten percent (10%) of the Net Worth; or (vi) any combination of events listed in clause (iii) through (v) that involves a net increase in aggregate Unfunded Pension Liabilities and unfunded liabilities in excess of ten percent (10%) of the Net Worth shall occur; or

(k) All or substantially all of the Property of the Borrower or its Subsidiaries shall be condemned, seized or appropriated, excluding Property of a Subsidiary other than a Significant Subsidiary the condemnation, seizure or appropriation of which would not have a Material Adverse Effect; or

(l) Any Governmental Authority shall revoke or fail to renew any license, permit or franchise of the Borrower or any of its Subsidiaries, or the Borrower or any of its Subsidiaries shall for any reason lose any license, permit or franchise, if such revocation, non-renewal or loss would have a Material Adverse Effect; or

(m) Any Credit Document (other than Revolving Credit Notes which have been replaced or superseded) shall cease to be in full effect; or

(n) A Change in Control shall occur;

then, and at any time during the continuance of such Event of Default, the Administrative Agent, at the written request of the Required Lenders, may, by written notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate forthwith the Commitments and (ii) declare any Loans then outstanding to be due and payable, whereupon the principal of the Loans so declared to be due, together with accrued interest thereon and any other unpaid amounts accrued under the Credit Documents, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind (all of which are hereby expressly waived by the Borrower); provided that, in the case of any Event of Default described in Section 8.01(i) occurring with respect to the Borrower, the Commitments shall automatically and immediately terminate and the principal of all Loans then outstanding, together with accrued interest thereon and any other unpaid amounts accrued under the Credit Documents, shall automatically and immediately become due and payable without presentment, demand, protest or any other notice of any kind (all of which are hereby expressly waived by the Borrower).

ARTICLE IX

THE ADMINISTRATIVE AGENT

Section 9.01 The Agency.

Each Lender appoints The Bank of New York Mellon as its agent hereunder and irrevocably authorizes the Administrative Agent to take such action on its behalf and to exercise such powers hereunder as are specifically delegated to the Administrative Agent by the terms hereof, together with such powers as are reasonably incidental thereto, and the Administrative Agent hereby accepts such appointment subject to the terms hereof. The relationship between the Administrative Agent and the Lenders shall be that of agent and principal only and nothing herein shall be construed to constitute the Administrative Agent a trustee or fiduciary for any Lender nor to impose on the Administrative Agent duties or obligations other than those expressly provided for herein.

Section 9.02 The Administrative Agent's Duties.

The Administrative Agent shall promptly forward to each Lender copies, or notify each Lender as to the contents, of all notices received from the Borrower pursuant to the terms of this Agreement and, in the event that the Borrower fails to pay when due the principal of or interest on any Loan, the Administrative Agent shall promptly give notice thereof to the Lenders. As to any other matter not expressly provided for herein, the Administrative Agent shall have no duty to act or refrain from acting with respect to the Borrower, except upon the instructions of the Required Lenders. The Administrative Agent shall not be bound by any waiver, amendment, supplement, or modification of this Agreement which affects its duties hereunder, unless it shall have given its prior written consent thereto. The Administrative Agent shall have no duty to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements binding on the Borrower pursuant to this Agreement nor shall the Administrative Agent be deemed to have knowledge of the occurrence of any Default or Event of Default (other than a failure of the Borrower to pay when due the principal or interest on any Loan), unless it shall have received written notice from the Borrower or a Lender specifying such Default or Event of Default and stating that such notice is a "Notice of Default".

Section 9.03 Limitation of Liabilities.

Each of the Lenders and the Borrower agree that (i) neither the Administrative Agent nor any of its officers or employees shall be liable for any action taken or omitted to be taken by any of them hereunder except for its or their own gross negligence or willful misconduct as determined by a final and nonappealable ruling by a court of competent jurisdiction, (ii) neither the Administrative Agent nor any of its officers or employees shall be liable for any action taken or omitted to be taken by any of them in good faith in reliance upon the advice of counsel, independent public accountants or other experts selected by the Administrative Agent, and (iii) the Administrative Agent shall be entitled to rely upon any notice, consent, certificate, statement or other document believed by it to be genuine and correct and to have been signed and/or sent by the proper Persons.

Section 9.04 The Administrative Agent as a Lender.

The Administrative Agent may maintain deposits or credit balances for, invest in, lend money to and generally engage in any kind of banking business with the Borrower or any Subsidiary or Affiliate of the Borrower without any duty to account therefor to the Lenders.

Section 9.05 Lender Credit Decision.

Neither the Administrative Agent, nor any of its Affiliates, officers or employees has any responsibility for, gives any guaranty in respect of, nor makes any representation to the Lenders as to, (i) the condition, financial or otherwise, of the Borrower or any Subsidiary thereof or the truth of any representation or warranty given or made in this Agreement, or in connection herewith or (ii) the validity, execution, sufficiency, effectiveness, construction, adequacy, enforceability or value of this Agreement or any other document or instrument related hereto. Except as specifically provided herein, neither the Administrative Agent nor any of its Affiliates, officers or employees shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any

credit or other information with respect to the operations, business, property, condition or creditworthiness of the Borrower or any of its Subsidiaries, whether such information comes into the Administrative Agent's possession on or before the date hereof or at any time thereafter. Each Lender acknowledges that (i) it has, independently and without reliance upon the Administrative Agent or any other Lender, based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and (ii) all information reviewed by it in its credit analysis or otherwise in connection herewith has been provided solely by or on behalf of the Borrower, and the Administrative Agent has no responsibility for such information. Each Lender also acknowledges that it will independently and without reliance upon the Administrative Agent or any other Lender, based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under any Credit Document.

Section 9.06 Indemnification.

Each Lender agrees to indemnify the Administrative Agent, to the extent not reimbursed by the Borrower, ratably in proportion to its Commitment, from and against any and all liabilities, obligations, losses, claims, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent in any way relating to or arising out of this Agreement, or any action taken or omitted to be taken by the Administrative Agent hereunder; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the gross negligence or willful misconduct of the Administrative Agent or any of its officers or employees as determined by a final and nonappealable ruling by a court of competent jurisdiction. Without limiting the foregoing, each Lender agrees to reimburse the Administrative Agent promptly upon demand for its ratable share of any out-of-pocket expenses (including fees and disbursements of counsel incurred by the Administrative Agent) in connection with the preparation, execution or enforcement of, or legal advice in respect of rights or responsibilities under, any Credit Document or any amendments or supplements thereto, to the extent that the Administrative Agent is not reimbursed for such expenses by the Borrower. Except for action expressly required of the Administrative Agent hereunder, the Administrative Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall receive further assurances to its satisfaction from the Lenders of their indemnification obligations under this Section 9.06 against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action.

Section 9.07 Successor Administrative Agent.

The Administrative Agent may resign at any time by giving 30 days' prior written notice thereof (unless the parties agree otherwise) to the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right to appoint a successor

Administrative Agent reasonably acceptable to the Borrower. If no successor Administrative Agent shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the resigning Administrative Agent's giving of notice of resignation, the resigning Administrative Agent may appoint a successor Administrative Agent, which shall be a commercial bank organized or licensed under the laws of the United States of America or of any State thereof and having a combined capital and surplus of at least \$250,000,000. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the resigned Administrative Agent, and the resigned Administrative Agent shall be discharged from its duties and obligations under this Agreement. After any Administrative Agent's resignation, the provisions of this Article IX shall continue to inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement.

Section 9.08 No Duty Regarding Discretionary Actions.

The Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or applicable law.

Section 9.09 Syndication and Other Agents.

Notwithstanding anything herein to the contrary, the Joint Lead Arrangers, the Joint Bookrunners and the Co-Syndication Agents named on the cover page of this Agreement shall not have any duties or liabilities under this Agreement, except in their respective capacities, if any, as Lenders.

ARTICLE X

EVIDENCE OF LOANS; TRANSFERS

Section 10.01 Evidence of Loans; Revolving Credit Notes.

The Borrower's obligation to repay the Loans shall be evidenced by Revolving Credit Notes if requested by each Lender, one such payable to the order of each such Lender. The Revolving Credit Note of each Lender shall (i) be in the principal amount of such Lender's Commitment, (ii) be dated the Restatement Effective Date (or the effective date on which such Lender becomes a Lender hereunder) and (iii) be stated to mature on the Termination Date and bear interest from its date until maturity on the principal balance (from time to time outstanding thereunder) payable at the rates and in the manner

provided herein. Each Lender is authorized to indicate upon the grid attached to its Revolving Credit Note all Loans made by it pursuant to this Agreement, interest elections and payments of principal and interest thereon. Such notations shall be presumptive, absent manifest error, as to the aggregate unpaid principal amount of all Loans made by such Lender, and interest due thereon, but the failure by any Lender to make such notations or the inaccuracy or incompleteness of any such notations shall not affect the obligations of the Borrower hereunder or under the Revolving Credit Notes.

Section 10.02 Participations.

(a) Any Lender may at any time grant to one or more financial institutions (but not to a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person, or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each a "Participant") participating interests in its Commitment or any or all of its Loans. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and, except to the extent such participating interest has been granted pursuant to Section 4.02(e), the Borrower and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement described in clauses (i) through (vi), inclusive, of Section 11.06(b) without the consent of the Participant.

(b) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) The Borrower agrees that each Participant shall be entitled to the benefits of Sections 4.03 and 4.04(b) (subject to the requirements and limitations in Section 4.04, including the requirements under Section 4.04(a) (it being understood that the documentation required under Section 4.04(a) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.03; provided that such Participant (A) agrees to be subject to the provisions of Section 4.08 as if it were an assignee under Section 10.03; and (B) shall not be entitled to receive any greater payment under Section 4.04(b), with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Regulatory Change that occurs after the Participant acquired the applicable participation.

(d) To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.04 as though it were a Lender; provided that such Participant agrees to be subject to Section 4.02(e) as though it were a Lender.

Section 10.03 Assignments.

(a) Any Lender may at any time assign to one or more financial institutions (but not to a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person, or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each an "Assignee"), other than a Defaulting Lender or a subsidiary thereof or any financial institution who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a subsidiary thereof, all, or a proportionate part of all, of its rights and obligations under this Agreement, and such Assignee shall assume such rights and obligations, pursuant to an instrument, in substantially the form of Exhibit E (an "Assignment and Acceptance"), executed by such Assignee and such transferring Lender, with (and subject to) the signed consent of the Borrower (which consent shall not be unreasonably withheld or delayed and which consent shall be deemed to have been given if the Borrower has not responded within ten Business Days of its receipt of a written request for such consent) and the Administrative Agent (which consent shall not be unreasonably withheld); provided that (i) each such assignment (other than assignments (x) to its Affiliates, (y) to an Approved Fund, or (z) of its entire interest) shall be in a minimum amount of \$10,000,000 or in integral multiples of \$1,000,000 in excess thereof (unless otherwise approved by the Administrative Agent in its sole discretion), (ii) each assignee shall be an Eligible Institution, and (iii) after giving effect to each such assignment, the Commitment of the assignor (if it has not assigned its entire interest) and of the assignee shall be at least \$5,000,000; provided further, that the foregoing consent requirement shall not be applicable in the case of an assignment or other transfer by any Lender to an Affiliate of such Lender, to another Lender, or to an Approved Fund; provided further, that any consent of the Borrower otherwise required under this Section shall not be required if an Event of Default has occurred and is continuing; and provided further, that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five Business Days after having received notice thereof. Upon execution and delivery of an Assignment and Acceptance and payment by such Assignee to such transferring Lender of an amount equal to the purchase price agreed between such transferring Lender and such Assignee and payment by the transferring Lender or the Assignee of an assignment fee of \$4,500 (or \$7,500, if the transferring Lender is a Defaulting Lender) to the Administrative Agent (unless such fee is waived by the Administrative Agent in its sole discretion), such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment as set forth in such Assignment and Acceptance, and the transferring Lender shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required.

(b) No Assignee of any transferring Lender's rights shall be entitled to receive any greater payment under Section 4.03 or 4.04 than such Lender would have been entitled to receive with respect to the rights transferred, unless such transfer is made with the Borrower's prior written consent or by reason of the provisions of Section 4.04(c) requiring such transferring Lender to designate a different Applicable Lending Office under certain circumstances or at a time when the circumstances giving rise to such payment did not exist.

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

Section 10.04 Certain Pledges.

Notwithstanding any other provision in this Agreement, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under this Agreement and any Revolving Credit Note held by it in favor of any Federal Reserve Bank in accordance with Federal Reserve Board Regulation A (or any successor provision) or U.S. Treasury Regulation 31 C.F.R. § 203.14 (or any successor provision), and such Federal Reserve Bank may enforce such pledge or security interest in any manner permitted under applicable law.

ARTICLE XI

MISCELLANEOUS

Section 11.01 APPLICABLE LAW.

THE RIGHTS AND DUTIES OF THE BORROWER, THE ADMINISTRATIVE AGENT AND THE LENDERS UNDER THIS AGREEMENT SHALL, PURSUANT TO NEW YORK GENERAL OBLIGATIONS LAW SECTION 5-1401, BE GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

Section 11.02 WAIVER OF JURY TRIAL.

THE BORROWER, THE ADMINISTRATIVE AGENT AND THE LENDERS EACH HEREBY WAIVES TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT, THE REVOLVING CREDIT NOTES OR THE RELATIONSHIPS ESTABLISHED HEREUNDER.

Section 11.03 Jurisdiction and Venue.

The Borrower, the Administrative Agent and the Lenders each hereby irrevocably submits to the non-exclusive jurisdiction of any state or federal court in the Borough of Manhattan, The City of New York for the purpose of any suit, action, proceeding or judgment relating to or arising out of any Credit Document. The Borrower, the Administrative Agent and the Lenders each hereby irrevocably consents to the jurisdiction of any such court in any such action and to the laying of venue in the Borough of Manhattan, The City of New York. The Borrower, the Administrative Agent and the Lenders each hereby irrevocably waives, to the fullest extent permitted by applicable law, any objection to the laying of the venue of any such suit, action or proceeding brought in the aforesaid courts and hereby irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

Section 11.04 Set-off.

The Borrower hereby authorizes each Lender (including each Lender in its capacity as a purchaser of a participation interest pursuant to Section 4.02(e)) upon the occurrence of an Event of Default and at any time and from time to time during the continuance thereof, to the fullest extent permitted by law, to set off and apply any and all deposits (whether general or special, time or demand, provisional or final and in whatever currency) at any time held, and other indebtedness at any time owing, by such Lender to or for the credit or the account of the Borrower against any of the Obligations of the Borrower, now or hereafter existing under any Credit Document, held by such Lender, irrespective of whether such Lender shall have made any demand under this Agreement and although such obligations may be unmaturred; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.06 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section 11.04 are in addition to other rights and remedies (including other rights of set-off) which such Lender may have. Any Lender exercising its rights under this Section 11.04 shall give notice thereof to the Borrower and the Administrative Agent concurrently with or prior to the exercise of such rights; provided that failure to give such notice shall not affect the validity of such exercise.

Section 11.05 Confidentiality.

(a) The Lenders and the Administrative Agent agree (on behalf of themselves and each of their Affiliates, directors, officers, employees and representatives) to take normal and reasonable precautions and exercise due care to maintain the confidentiality of all non-public information provided to them by the Borrower or any Subsidiary or by the Administrative Agent on the Borrower's or any Subsidiary's behalf in connection with this Agreement and neither the Administrative Agent, any Lender, nor any of their Affiliates, directors, officers, employees and representatives shall use any such information for any purpose or in any manner other than pursuant to the terms contemplated by this Agreement, except to the extent such information (a) was or becomes generally available to the public other than as a result of a disclosure by the Administrative Agent or any Lender, or (b) was or becomes available on a non-confidential basis from a source other than the Borrower; provided that such source is not bound by a confidentiality agreement with the Borrower known to the Administrative Agent or affected Lender(s); provided further that nothing herein shall limit the disclosure of any such information (i) to the extent required by statute, rule, regulation or judicial process; (ii) to counsel for any of the Lenders or the Administrative Agent; (iii) to bank examiners, auditors or accountants; (iv) to the Administrative Agent or any other Lender; (v) by the Administrative Agent or any Lender to an Affiliate thereof who is bound by this Section 11.05; provided that any such information delivered to an Affiliate shall be for the purposes related to the extension of credit represented by this Agreement and the administration and enforcement thereof and for no other purpose; (vi) in connection with any litigation relating to enforcement of the Credit Documents; (vii) to any assignee or participant (or prospective assignee or participant) so long as such assignee or participant (or prospective assignee or participant) first executes and delivers to the respective Lender a Confidentiality Agreement, in substantially the form of Exhibit E; or (viii) on a confidential basis to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facility established hereunder. Each Lender and the Administrative Agent agree, unless specifically prohibited by applicable law or court order, to notify the Borrower of any request for disclosure of any such non-public information (x) by any Governmental Authority or representative thereof (other than any such request in connection with an examination of such Person's financial condition by such Governmental Authority) or (y) pursuant to legal process. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent and the Lenders in connection with the administration of this Agreement, the other Credit Documents, and the Commitments.

(b) This Agreement is intended to provide express authorization to each of the Lenders and their Affiliates (and each employee, representative, or other agent of each Lender and its Affiliates) to disclose to any and all Persons, without limitation of any kind, the "tax treatment" and "tax structure" (in each case, within the meaning of

Treasury Regulation Section 1.6011-4) of the transactions contemplated hereby and all materials of any kind (including opinions or other tax analyses) that are provided to the Lenders or any of them or any of their Affiliates (and any such employees, representatives or other agents) relating to such tax treatment and structure; provided, that, with respect to any document or similar item that in either case contains information concerning the tax treatment or tax structure of the transactions contemplated hereby as well as other information, this authorization shall only apply to such portions of the document or similar item that relate to the tax treatment or tax structure of the transactions contemplated hereby.

Section 11.06 Integration; Amendments and Waivers.

(a) This Agreement and any separate letter agreements with respect to fees payable by the Borrower with respect to this Agreement constitute the entire agreement among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

(b) Any provision of this Agreement may be amended, modified, supplemented or waived, but only by a written amendment or supplement, or written waiver, signed by the Borrower and either the Required Lenders (and, if the rights or duties of the Administrative Agent are affected thereby, by the Administrative Agent), or the Administrative Agent with the consent of the Required Lenders; provided, however, that no such amendment, modification, or waiver shall, unless signed by all the Lenders in the case of clauses (v) and (vi) below or all the Lenders affected thereby in the case of clauses (i) through (iv) below, or by the Administrative Agent with the consent of all the Lenders in the case of clauses (v) and (vi) below or all the Lenders affected thereby in the case of clauses (i) through (iv) below, (i) increase or decrease the Commitment of any Lender, except as contemplated by Section 2.03, or subject any Lender to any additional obligation, (ii) reduce the principal of or rate of interest on any Loan or any fees hereunder (other than the default rate set forth in Section 3.04), (iii) postpone any payment of principal of or interest on any Loan or any fees hereunder, (iv) postpone any reduction or termination of any Commitment, (v) change the percentage of, the Commitments or of the aggregate unpaid principal amount of Loans, or the number of Lenders, which shall be required for the Lenders or any of them to take any action under this Section 11.06 or any other provision of this Agreement, or (vi) amend, modify, supplement or waive the provisions of this Section 11.06. Except to the extent expressly set forth therein, any waiver shall be effective only in the specific instance and for the specific purpose for which such waiver is given.

Section 11.07 Cumulative Rights; No Waiver.

(a) Each and every right granted to the Administrative Agent and the Lenders hereunder or under any other document delivered in connection herewith, or allowed them by law or equity, shall be cumulative and not exclusive and may be exercised from time to time. No failure on the part of the Administrative Agent or any Lender to exercise, and no delay in exercising, any right will operate as a waiver thereof, nor will any single or partial exercise by the Administrative Agent or any Lender of any right preclude any other or future exercise thereof or the exercise of any other right.

Section 11.08 Notices.

(a) Any communication, demand or notice to be given hereunder will be duly given when delivered in writing, by telecopy or by electronic communications to a party at its address as indicated below or such other address as such party may specify in a notice to each other party hereto in the manner provided for herein. (b) Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (c) below, shall be effective as provided in such subsection (c).

(c) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgment); provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(d) The Borrower hereby agrees, unless directed otherwise by the Administrative Agent or unless the email address referred to below has not been provided by the Administrative Agent to the Borrower, that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Lenders or the Administrative Agent pursuant to this Agreement, excluding (i) any Borrowing Request, Conversion Request, Increase Request or Extension Request or any communication related thereto, (ii) any communication that relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) notice of any Default or Event of Default under this Agreement or any other Credit Document or (iv) any notice that is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit hereunder (all such non-excluded communications being referred to herein collectively as “**Communications**”), by transmitting the Communications in an electronic format acceptable to the Administrative Agent to an email address as directed by the Administrative Agent.

(e) The Borrower acknowledges that the Administrative Agent will make available to the Lenders Communications provided by the Borrower hereunder by posting such Communications on DebtDomain or another similar electronic platform. Such platform shall be deemed to be provided “as is” and “as available”. Neither the Administrative Agent nor any of its directors, officers, employees, agents or advisors warrants the accuracy or completeness of the communications or the adequacy of such electronic platform and each expressly disclaims liability for errors or omissions in the communications. The Administrative Agent makes no warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects in connection with the Communications or such electronic platform. In no event shall the Administrative Agent or any of its directors, officers, employees, agents or advisors have any liability to the Borrower, any Lender or any other Person for damages of any kind, whether or not based on strict liability and including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Communications electronically, except to the extent the liability of any such person is found in a final and nonappealable ruling by a court of competent jurisdiction to have resulted primarily from such Person’s gross negligence or willful misconduct, and no claim may be made by the Borrower or any other Person against the Administrative Agent or any or its directors, officers, employees, agents or advisors for any special, indirect, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability.

(f) The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices given by the Borrower even if such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein. All telephonic notices to and other communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 11.09 Separability.

In case any one or more of the provisions contained in any Credit Document shall be invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions contained herein or in any other Credit Document shall not in any way be affected or impaired thereby.

Section 11.10 Parties in Interest.

This Agreement shall be binding upon and inure to the benefit of the Borrower and the Lenders and their respective successors and assigns, except that the Borrower may not assign any of its rights hereunder without the prior written consent of all of the Lenders, and any purported assignment by the Borrower without such consent shall be void.

Section 11.11 Execution in Counterparts; Electronic Execution of Credit Documents.

This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all the counterparts, including counterparts delivered by telecopy or electronic format (including .pdf), shall together constitute one and the same instrument. The words "execution," "signed," "signature," and words of like import in this Agreement and the other Credit Documents including any Assignment and Acceptance shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions.

Section 11.12 USA Patriot Act Notice.

Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies the Borrower and its Subsidiaries, which information includes the names, addresses and tax identification numbers of the Borrower and its Subsidiaries, and other information that will allow such Lender to identify the Borrower and its Subsidiaries in accordance with the Act.

Section 11.13 Acknowledgment and Consent to Bail-In of Affected Financial Institutions.

Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 11.14 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

Section 11.15 Acknowledgment Regarding Any Supported QFCs.

(a) To the extent that the Credit Documents provide support, through a guarantee or otherwise, for hedge agreements or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(b) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(c) As used in this Section 11.15, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” means any of the following:

- (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);
- (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or

(iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

Section 11.16 Erroneous Payments.

(a) If the Administrative Agent notifies a Lender or any Person who has received funds on behalf of a Lender, such Lender (any such Lender or other recipient, a “Payment Recipient”) that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “Erroneous Payment”) and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, or any Person who has received funds on behalf of a Lender, hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 11.16(b).

(c) Each Lender hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender under any Credit Document, or otherwise payable or distributable by the Administrative Agent to such Lender under any Credit Document with respect to any payment of principal, interest, fees or other amounts, against any amount due to the Administrative Agent under preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon the Administrative Agent's notice to such Lender at any time, (i) such Lender shall be deemed to have assigned its Loans (but not its Commitments) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments), the "Erroneous Payment Deficiency Assignment") at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an electronic platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any promissory notes evidencing such Loans to the Borrower or the Administrative Agent, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender

shall cease to be a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender under the Credit Documents with respect to each Erroneous Payment Return Deficiency (the "Erroneous Payment Subrogation Rights").

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any obligations under the Credit Documents owed by the Borrower, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(g) Each party's obligations, agreements and waivers under this Section 11.16 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments and/or the repayment, satisfaction or discharge of all obligations (or any portion thereof) under any Credit Document.

[THE REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties hereto have caused this Amended and Restated Revolving Credit Agreement to be duly executed as of the date first above written.

Unless defined herein, all capitalized terms used herein shall have the meanings ascribed to them in the Credit Agreement.

II. The Borrower, the Administrative Agent and the Lenders have agreed to amend the Credit Agreement effective as of the Amendment No. 1 Effective Date (as defined below) to, among other things, implement daily and term secured overnight financing rate interest rate pricing for the Loans in lieu of the current interest rate pricing for the Loans.

Accordingly, in consideration of the covenants, conditions and agreements hereinafter set forth, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

1. **Amendments to Credit Agreement.** Effective as of the Amendment No. 1 Effective Date, the Credit Agreement is hereby amended as follows:

(a) The Credit Agreement is hereby amended by (i) deleting the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~), and (ii) adding the double underlined text (indicated textually in the same manner as the following example: double-underlined text) as reflected in Annex A to this Amendment.

(b) Exhibit A to the Credit Agreement is hereby amended and restated in the form of Annex B to this Amendment.

(c) Exhibit B to the Credit Agreement is hereby amended and restated in the form of Annex C to this Amendment.

(d) All other exhibits and schedules to the Credit Agreement as in effect as of the Amendment No. 1 Effective Date shall continue to remain in effect.

2. Representations and Warranties by the Borrower. To induce the Administrative Agent and the Lenders to enter into this Amendment, the Borrower hereby represents and warrants to the Administrative Agent and the Lenders that:

(a) The execution, delivery and performance of this Amendment and the transactions contemplated hereby (i) are within its corporate authority, (ii) have been duly authorized by all necessary corporate action, (iii) do not conflict with or result in any material breach or contravention of any provision of law, statute, rule or regulation to which the Borrower is subject or any judgment, order, writ, injunction, license or permit applicable to the Borrower, and (iv) do not conflict with any provision of its articles of incorporation, bylaws or other organizational document or any agreement or other instrument binding upon it.

(b) This Amendment constitutes the valid and legally binding obligations of the Borrower, enforceable against it in accordance with the terms hereof, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally.

(c) Each of the representations and warranties contained in the Credit Agreement is true and correct in all material respects on and as of the date hereof, except those representations and warranties that were made as of a specific date, in which case such representations and warranties were true and correct on and as of such earlier date.

(d) Before and after giving effect to this Amendment, no Default has occurred and is continuing.

3. Conditions to Effectiveness.

This Amendment shall be effective as of the date hereof (the "**Amendment No. 1 Effective Date**"), provided that on or before the date hereof, the Administrative Agent shall have received the following:

(i) counterparts of this Amendment, executed by a duly authorized officer of the Borrower and each of the Lenders;

date acceptable to the Administrative Agent; and (e) stating that, as of the Amendment No. 1 Effective Date, (A) each of the representations and warranties contained in the Credit Agreement is true and correct in all material respects on and as of such date, except those representations and warranties that were made as of a specific date, in which case such representations and warranties were true and correct on and as of such earlier date, and (B) before and after giving effect to this Amendment, no Default has occurred and is continuing;

(iii) a favorable written opinion, dated the Amendment No. 1 Effective Date, of Thomas Moran, Corporate Secretary of the Borrower, and Morrison & Foerster LLP, counsel to the Borrower;

(iv) at least five (5) Business Days prior to the Amendment No. 1 Effective Date, all documentation and other information about the Borrower and its Subsidiaries that shall have been requested by the Lenders in writing at least ten (10) days prior to the Amendment No. 1 Effective Date and that the Lenders reasonably determine is required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the Act; and

(v) payment or reimbursement by the Borrower of the reasonable fees and expenses of the attorneys for the Administrative Agent in connection with the preparation, negotiation and closing of this Amendment, in immediately available funds.

4. Outstanding Eurodollar Loan.

Notwithstanding the amendment of the Credit Agreement by this Amendment, the Outstanding Eurodollar Loan shall bear interest at the rates set forth in the Credit Agreement as in effect prior to the Amendment No. 1 Effective Date until the end of the Interest Period thereof, at which time such Loan shall be converted in accordance with Section 3.01 of the Credit Agreement and, after such conversion, such Loan will bear interest as set forth in the Credit Agreement, as amended by this Amendment.

5. Miscellaneous.

(a) The Borrower hereby:

(i) acknowledges and agrees that the amendments under Section 1 hereof are limited to the specific matters set forth therein;

AMENDED AND RESTATED REVOLVING CREDIT AGREEMENT, dated as of April 10, 2020, among SOUTHWEST GAS CORPORATION, a California corporation (the "Borrower"), each of the lenders from time to time parties to this Agreement (collectively, the "Lenders"), and THE BANK OF NEW YORK MELLON, as Administrative Agent.

WITNESSETH:

WHEREAS, the Borrower, the Lenders and the Administrative Agent are parties to the Existing Credit Agreement (as defined below); and

WHEREAS, the Borrower, the Lenders and the Administrative Agent have agreed to amend and restate the Existing Credit Agreement in its entirety on the terms and subject to the conditions set forth in this Agreement;

NOW, THEREFORE, the parties agree as follows:

ARTICLE I

DEFINITIONS

Section 1.01 Definitions.

(a) Terms Generally. The definitions ascribed to terms in this Agreement apply equally to both the singular and plural forms of such terms. Whenever the context may require, any pronoun shall be deemed to include the corresponding masculine, feminine and neuter forms. The words "include", "includes" and "including" shall be interpreted as if followed by the phrase "without limitation". The phrase "individually or in the aggregate" shall be deemed general in scope and not to refer to any specific Section or clause of this Agreement. All references herein to Articles, Sections, Exhibits and Schedules shall be deemed references to Articles and Sections of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. The table of contents, headings and captions herein shall not be given effect in interpreting or construing the provisions of this Agreement. Except as otherwise expressly provided herein, all references to "dollars" or "\$" shall be deemed references to the lawful money of the United States of America.

(b) Accounting Terms. Except as otherwise expressly provided herein, the term "consolidated" and all other terms of an accounting nature shall be interpreted and construed in accordance with GAAP, as in effect from time to time; provided, however, that, for purposes of determining compliance with any covenant set forth in Article VII, such terms shall be construed in accordance with GAAP as in effect on the date of this Agreement, applied on a basis consistent with the construction thereof applied in preparing the Borrower's audited financial statements referred to in Section 5.01(k). If there shall occur a change in GAAP which but for the foregoing proviso would affect the computation used to determine compliance with any covenant set forth in Article VII, the Borrower and the Lenders agree to negotiate in good faith in an effort to agree upon an amendment to this Agreement that will permit compliance with such covenant to be determined by reference to GAAP as so changed while affording the Lenders the protection intended to be afforded by such covenant prior to such change (it being understood, however, that such covenant shall remain in full force and effect in accordance with its existing terms unless and until such amendment shall become effective).

(c) Other Terms. The following terms have the meanings ascribed to them below or in the Sections of this Agreement indicated below:

“ABR Loans” means Loans that bear interest at a rate or rates determined by reference to the Alternate Base Rate.

“ABR Term SOFR Determination Day” has the meaning specified in the definition of “Term SOFR”.

“Acquisition” means any purchase or other acquisition by the Borrower or a direct or indirect Subsidiary of the Borrower of (a) any assets of any other Person that, taken together, constitute a business unit, or (b) any capital stock of or equity interests in any other Person if, immediately thereafter, such other Person would be a direct or indirect Subsidiary of the Borrower.

“Act” has the meaning assigned to such term in Section 11.12.

“Adjusted Daily Simple SOFR” means, for purposes of any calculation, the rate per annum equal to (a) Daily Simple SOFR for such calculation plus (b) 0.038%; provided that if Adjusted Daily Simple SOFR as so determined shall ever be less than the Floor, then Adjusted Daily Simple SOFR shall be deemed to be the Floor.

“Adjusted Term SOFR” means, for purposes of any calculation, the rate per annum equal to (a) Term SOFR for such calculation plus (b) the Term SOFR Adjustment; provided that if Adjusted Term SOFR as so determined shall ever be less than the Floor, then Adjusted Term SOFR shall be deemed to be the Floor.

“Administrative Agent” means The Bank of New York Mellon, acting in the capacity of administrative agent for the Lenders, or any successor administrative agent appointed pursuant to the terms of this Agreement.

“Affected Financial Institution” means (a) any EEA Financial Institution or (b) any UK Financial Institution.

“Affiliate” means, when used with reference to any Person, a Person (other than a Subsidiary) which directly or indirectly controls, is controlled by, or is under common control with, such other Person. For purposes of this definition, “control” (including with correlative meanings, the terms “controlling,” “controlled by” and “under common control with”) as applied to any Person, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of that Person, whether through the ownership of voting securities or by contract or otherwise.

“Agreement” means this Amended and Restated Revolving Credit Agreement, as it may be amended, modified or supplemented from time to time.

“Alternate Base Rate” means, for any day, a rate per annum equal to the greatest of:

- (iii) the sum of (a) 1% per annum and (b) Adjusted Term SOFR for a one-month tenor in effect on such date.

The Alternate Base Rate shall change as and when the greatest of the foregoing rates shall change. Any change in the Alternate Base Rate shall become effective as of the opening of business on the day of such change. If Alternate Base Rate is being used as an alternate rate of interest pursuant to Section 4.05, then the Alternate Base Rate shall be the greater of clauses (i) and (ii) above and shall be determined without reference to clause (iii) above.

“Anti-Corruption Laws” means all laws, rules, and regulations of any jurisdiction applicable to the Borrower or its subsidiaries from time to time concerning or relating to bribery or corruption, including, without limitation, the U.S. Foreign Corrupt Practices Act and the U.K. Bribery Act of 2010.

VI	1.500%	0.500%

“Applicable Percentage” means, with respect to any Lender, the percentage of the Total Commitments represented by such Lender’s Commitment. If the Commitments have terminated or expired, the Applicable Percentages shall be determined based upon the Commitments most recently in effect, giving effect to any assignments.

“Approved Fund” means any Fund that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

“Assignment and Acceptance” has the meaning assigned to such term in Section 10.03(a).

“Available Commitment” means, on any day, an amount equal to (a) the Total Commitment on such day minus (b) the aggregate outstanding principal amount of Loans on such day.

“Available Tenor” means, as of any date of determination and with respect to the then-current Benchmark, as applicable, (x) if such Benchmark is a term rate, any tenor for such Benchmark (or component thereof) that is or may be used for determining the length of an interest period pursuant to this Agreement or (y) otherwise, any payment period for interest calculated with reference to such Benchmark (or component thereof) that is or may be used for determining any frequency of making payments of interest calculated with reference to such Benchmark, in each case, as of such date and not including, for the avoidance of doubt, any tenor for such Benchmark that is then-removed from the definition of “Interest Period” pursuant to Section 4.09(d).

“Bail-In Action” means the exercise of any Write-Down and Conversion Powers by the applicable Resolution Authority in respect of any liability of an Affected Financial Institution.

“Bail-In Legislation” means (a) with respect to any EEA Member Country implementing Article 55 of Directive 2014/59/EU of the European Parliament and of the Council of the European Union, the implementing law, regulation rule or requirement for such EEA Member Country from time to time which is described in the EU Bail-In Legislation Schedule and (b) with respect to the United Kingdom, Part I of the United Kingdom Banking Act 2009 (as amended from time to time) and any other law, regulation or rule applicable in the United Kingdom relating to the resolution of unsound or failing banks, investment firms or other financial institutions or their affiliates (other than through liquidation, administration or other insolvency proceedings).

“Benchmark” means, initially, the Term SOFR Reference Rate or Daily Simple SOFR; provided that if a Benchmark Transition Event has occurred with respect to the Term SOFR Reference Rate, Daily Simple SOFR, or the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to Section 4.09(a).

“Benchmark Replacement” means with respect to any Benchmark Transition Event, the sum of: (i) the alternate benchmark rate that has been selected by the Administrative Agent and the Borrower giving due consideration to (A) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (B) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement to the then-current Benchmark for dollar-denominated syndicated credit facilities and (ii) the related Benchmark Replacement Adjustment; provided that, if such Benchmark Replacement as so determined would be less than the Floor, such Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Credit Documents.

“Benchmark Replacement Adjustment” means, with respect to any replacement of any then-current Benchmark with an Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent and the Borrower giving due consideration to (a) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (b) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for dollar-denominated syndicated credit facilities.

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to any then-current Benchmark:

- (a) in the case of clause (a) or (b) of the definition of “Benchmark Transition Event”, the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or
- (b) in the case of clause (c) of the definition of “Benchmark Transition Event”, the first date on which such Benchmark (or the published component used in the calculation thereof) has been determined and announced by or on behalf of the administrator of such Benchmark (or such component thereof) or the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be non-representative or non-compliant with or non-aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks; provided that such non-representativeness, non-compliance or non-alignment will be determined by reference to the most recent statement or publication referenced in such clause (c) and even if any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to any then-current Benchmark:

- (a) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(b) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the Federal Reserve Bank of New York, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(c) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) or the regulatory supervisor for the administrator of such Benchmark (or such component thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Start Date” means, in the case of a Benchmark Transition Event, the earlier of (a) the applicable Benchmark Replacement Date and (b) if such Benchmark Transition Event is a public statement or publication of information of a prospective event, the 90th day prior to the expected date of such event as of such public statement or publication of information (or if the expected date of such prospective event is fewer than 90 days after such statement or publication, the date of such statement or publication).

“Benchmark Unavailability Period” means, the period (if any) (a) beginning at the time that a Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the impacted then-current Benchmark for all purposes hereunder and under any Credit Document in accordance with Section 4.09 and (b) ending at the time that a Benchmark Replacement has replaced the impacted then-current Benchmark for all purposes hereunder and under any Credit Document in accordance with Section 4.09.

The Borrower may prepay Loans bearing interest on the same basis and having the same Interest Periods, if any, by giving notice to the Administrative Agent not later than 1:00 P.M., New York time, on the third U.S. Government Securities Business Day preceding the proposed date of prepayment, in the case of SOFR Loans, or not later than 1:00 P.M., New York time, on the Business Day of the proposed prepayment, in the case of ABR Loans. Each such prepayment of SOFR Loans shall be in an aggregate principal amount of \$5,000,000 or in integral multiples of \$1,000,000 in excess thereof (or, if the aggregate amount of outstanding Term SOFR Loans or Daily Simple SOFR Loans, as applicable, is less than \$5,000,000, then all of such lesser amount), and each prepayment of ABR Loans shall be in an aggregate amount of \$1,000,000 or in integral multiples of \$100,000 in excess thereof (or, if the aggregate amount of outstanding ABR Loans is less than \$1,000,000, then all of such lesser amount), and, in the case of Term SOFR Loans, together with the amounts required by Section 4.03, accrued interest on the principal being prepaid to the date of prepayment. Subject to the terms and conditions of this Agreement, prepaid Loans may be reborrowed.

Section 2.06 Defaulting Lenders.

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) Commitment Fees shall cease to accrue on the Commitment of such Defaulting Lender pursuant to Section 3.07;

(ii) the Commitment and Loans of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 11.06); provided that any waiver, amendment or modification that would (A) increase the Commitment of such Defaulting Lender or subject such Defaulting Lender to any additional obligations, (B) reduce the principal of, or interest on, the Loans made by such Defaulting Lender or (C) postpone any date fixed for any payment of principal of, or interest on, the Loans made by such Defaulting Lender (which, for avoidance of doubt, shall not include forbearing from exercising remedies as a result thereof), shall require the consent of such Defaulting Lender; and

(iii) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender) shall, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative Agent, in the following order of priority: (A) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (B) second, as the Borrower may request (so long as no Default or Event of Default exists) to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, (C) third, if so

determined by the Administrative Agent and the Borrower, held in such account as cash collateral for future funding obligations of the Defaulting Lender in respect of any Loans under this Agreement, and (D) fourth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement.

(b) The Borrower may, by ten Business Days' notice in writing to the Administrative Agent and a Defaulting Lender, (i) request such Defaulting Lender to cooperate with the Borrower in obtaining a Replacement Lender for such Defaulting Lender; (ii) request the non-Defaulting Lenders to acquire and assume all or a portion of such Defaulting Lender's Loans and Commitment, but none of such Lenders shall be obligated to do so; or (iii) propose a Replacement Lender. If a Replacement Lender shall be accepted by the Administrative Agent or one or more of the non-Defaulting Lenders shall agree to acquire and assume all or part of a Defaulting Lender's Loans and Commitment, then such Defaulting Lender shall assign, in accordance with Section 10.03(a), all or part, as the case may be, of its Loans, Commitment, Revolving Credit Note and other rights and obligations under this Agreement and all other Credit Documents to such Replacement Lender or non-Defaulting Lenders, as the case may be, in exchange for payment of the principal of, and interest accrued to the date of such payment on, Loans owing to such Defaulting Lender and any accrued Commitment Fees owing to such Defaulting Lender; and upon such payments, the obligations of such Defaulting Lender hereunder in respect of its Commitment shall, by the provisions hereof, be released and discharged; provided, however, that such Defaulting Lender's rights under Sections 4.03, 4.04 and 4.06, and its obligations under Section 9.06 shall survive such release and discharge as to matters occurring prior to such date; provided further, however, that such assignment shall be on the terms and conditions set forth in Section 10.03(a). If the Replacement Lender and the non-Defaulting Lenders shall only be willing to acquire less than all of a Defaulting Lender's outstanding Loans and Commitment, the Commitment of such Defaulting Lender shall not terminate, but shall be reduced proportionately, and such Defaulting Lender shall continue to be a "Lender" hereunder with a reduced Commitment and Pro Rata Share. Upon the effective date of such assignment, such Replacement Lender shall, if not already a Lender, become a "Lender" for all purposes under this Agreement and the other Credit Documents.

(c) The rights and remedies against a Defaulting Lender under this Section 2.06 are in addition to other rights and remedies that the Borrower, the Administrative Agent or any Lender may have against such Defaulting Lender.

(d) In the event that the Administrative Agent and the Borrower agree that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans ratably in accordance with its Commitments and such Lender shall no longer be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided further that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III

INTEREST AND FEES

Section 3.01 Interest Rate Determination; Conversion.

(a) Except to the extent that the Borrower shall request, in a Borrowing Request, in a Conversion Request or in a written election pursuant to Section 3.03(a) or (b), that Loans (or portions thereof) bear interest as Term SOFR Loans or Daily Simple SOFR Loans, Loans shall bear interest as ABR Loans.

(b) The Borrower may request, by giving a Conversion Request to the Administrative Agent, not later than 1:00 P.M., New York time, on the third U.S. Government Securities Business Day prior to the requested Conversion Date, that all or portions of the outstanding Loans, in the aggregate principal amount of \$5,000,000 or in integral multiples of \$1,000,000 in excess thereof, in the case of Loans being converted to or continued as SOFR Loans, and in the aggregate principal amount of \$1,000,000 or in integral multiples of \$100,000 in excess thereof (or, if the aggregate principal amount of outstanding Loans is less than \$1,000,000, then all such lesser amount), in the case of ABR Loans, bear interest from and after the Conversion Date as ABR Loans, Term SOFR Loans, or Daily Simple SOFR Loans; provided, however, that during the continuance of any Default or Event of Default that shall have occurred, no Loan (or portion thereof) may be converted into SOFR Loans. Upon receipt, the Administrative Agent forthwith shall give notice to each Lender of the substance of each Conversion Request. Upon payment by the Borrower of the amounts, if any, required by Section 4.03, on the Conversion Date the Loans or portions thereof as to which the Conversion Request was made shall commence to accrue interest in the manner selected by the Borrower therein.

Section 3.02 Interest on ABR Loans.

Each ABR Loan shall bear interest from the date made until the date repaid, or (if converted into a SOFR Loan) to (but excluding) the first day of any relevant Interest Period (or the date of such conversion to a Daily Simple SOFR Loan, as the case may be), payable in arrears on the last day of each calendar quarter of each year, commencing with the first such date after the Restatement Effective Date, and on the date such Loan is repaid, at a rate per annum equal to the sum of (i) the Applicable Margin and (ii) the Alternate Base Rate in effect from time to time, which rate shall change as and when said Applicable Margin or Alternate Base Rate shall change.

Section 3.03 Interest on SOFR Loans.

(a) Each Term SOFR Loan shall bear interest from the date made until the date repaid or converted to an ABR Loan or Daily Simple SOFR Loan, payable in arrears, with respect to Interest Periods of three months or less, on the last day of such Interest Period, and with respect to Interest Periods longer than three months, the respective dates that fall every three months after the commencement of such Interest Period and on the last day of such Interest

Period, at a rate per annum equal to the sum of (i) the Applicable Margin and (ii) Adjusted Term SOFR for such Interest Period. Each Term SOFR Loan shall become an ABR Loan at the end of the Interest Period therefor, unless (x) there shall not have occurred and be continuing a Default or Event of Default and (y) not later than the third Business Day prior to the last day of such Interest Period, (A) the Borrower shall have delivered to the Administrative Agent an irrevocable written election of the subsequent Interest Period, in which case such Term SOFR Loan shall remain outstanding as a Term SOFR Loan, or (B) the Borrower shall have delivered to the Administrative Agent a Conversion Request with respect thereto, in which case such Term SOFR Loan shall be converted in accordance with Section 3.01(b).

(b) Each Daily Simple SOFR Loan shall bear interest from the date made until the date repaid, or (if converted into a Term SOFR Loan or an ABR Loan) to (but excluding) the date of such conversion or the first day of any relevant Interest Period, as the case may be, payable in arrears on the Daily Simple SOFR Payment Date with respect to such Loan, and on the date such Loan is repaid, at a rate per annum equal to the sum of (i) the Applicable Margin and (ii) Adjusted Daily Simple SOFR in effect on the date, which rate shall change as and when said Applicable Margin or Adjusted Daily Simple SOFR shall change. Each Daily Simple SOFR Loan shall become an ABR Loan on the Daily Simple SOFR Payment Date with respect thereto, unless (x) there shall not have occurred and be continuing a Default or Event of Default and (y) not later than the third U.S. Government Securities Business Day prior to the Daily Simple SOFR Payment Date, (A) the Borrower shall have delivered to the Administrative Agent an irrevocable written election to continue the Daily Simple SOFR Loan as a new Daily Simple SOFR Loan, in which case such Daily Simple SOFR Loan shall remain outstanding as a new Daily Simple SOFR Loan (and, for the purposes of determining the Daily Simple SOFR Payment Date with respect thereto, the date that such Daily Simple SOFR Loan is continued shall be the U.S. Government Securities Business Day after the Daily Simple SOFR Payment Date in effect prior to such continuation), or (B) the Borrower shall have delivered to the Administrative Agent a Conversion Request with respect thereto, in which case such Daily Simple SOFR Loan shall be converted in accordance with Section 3.01(b).

(c) In connection with the use or administration of Term SOFR and Daily Simple SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR or Daily Simple SOFR.

Section 3.04 Interest on Overdue Amounts.

All overdue amounts (including principal, interest and fees) hereunder shall bear interest, payable on demand, at a rate per annum equal to the sum of (i) 2% and (ii) in the case of Term SOFR Loans, the rate then applicable until the end of the current Interest Period therefor, and thereafter the rate of interest applicable to ABR Loans, changing as and when such rate shall change, and in the case of ABR Loans and Daily Simple SOFR Loans, the rate of interest applicable to ABR Loans, changing as and when such rate shall change.

Section 3.05 Day Counts.

Interest on ABR Loans shall be calculated on the basis of (a) a 365- or, if applicable, a 366-day year for the actual number of days elapsed for so long as interest is determined pursuant to clause (i) of the definition of "Alternate Base Rate" and (b) a 360-day year for the actual number of days elapsed for so long as interest is determined based on clause (ii) or clause (iii) of the definition of "Alternate Base Rate". Interest on all other Loans, and all fees shall be calculated on the basis of a 360-day year for the actual number of days elapsed.

Section 3.06 Maximum Interest Rate.

(a) Nothing in this Agreement shall require the Borrower to pay interest at a rate exceeding the maximum rate permitted by applicable law. Neither this Section nor Section 11.01 is intended to limit the rate of interest payable for the account of any Lender to the maximum rate permitted by the laws of the State of New York (or any other applicable law) if a higher rate is permitted with respect to such Lender by supervening provisions of U.S. Federal law.

(b) If the amount of interest payable for the account of any Lender on any interest payment date in respect of the immediately preceding interest computation period, computed pursuant to this Article III, would exceed the maximum amount permitted by applicable law to be charged by such Lender, the amount of interest payable for its account on such interest payment date shall automatically be reduced to such maximum permissible amount.

(c) If the amount of interest payable for the account of any Lender in respect of any interest computation period is reduced pursuant to Section 3.06(b) and the amount of interest payable for its account in respect of any subsequent interest computation period would be less than the maximum amount permitted by law to be charged by such Lender, then the amount of interest payable for its account in respect of such subsequent interest computation period shall be automatically increased to such maximum permissible amount; provided that at no time shall the aggregate amount by which interest paid for the account of any Lender has been increased pursuant to this Section 3.06(c) exceed the aggregate amount by which interest paid for its account has theretofore been reduced pursuant to Section 3.06(b).

Section 3.07 Commitment Fees.

The Borrower agrees to pay to the Administrative Agent, for the account of each Lender, on the last day of each calendar quarter of each year, commencing with the first such day after the Restatement Effective Date (or such later date on which such Lender becomes a Lender), and on the Termination Date (or other date on which the Commitment shall terminate) with respect to such Lender, a fee (the "Commitment Fee") computed by applying (i) on each day on which the applicable Pricing Level set forth below is in effect, the percentage per annum set forth below adjacent to such Pricing Level on such day during the then-ending quarter (or shorter period ending with the Termination Date or any other date on which the Commitment of such Lender shall terminate) to (ii) the amount of such Lender's Unused Commitment on such day:

<u>Pricing Level</u>	<u>Commitment Fee</u>
I	0.075%
II	0.080%
III	0.100%
IV	0.150%
V	0.175%
VI	0.200%

ARTICLE IV

DISBURSEMENT AND PAYMENT

Section 4.01 Disbursement.

(a) Each Loan shall be made by the relevant Lender from such Lender's branch or affiliate identified as its Applicable Lending Office.

(b) The failure of any Lender to make any Loan to be made by it on the Borrowing Date therefor shall not relieve any other Lender of its obligation to make its Loan or Loans on such date, but neither any Lender nor the Administrative Agent shall be responsible for the failure of any other Lender to make a Loan to be made by such other Lender.

(c) The Administrative Agent may, but shall not be required to, advance on behalf of any Lender the amount of such Lender's Loan to be made on a Borrowing Date, unless such Lender shall have notified the Administrative Agent prior to such Borrowing Date that it does not intend to make such Loan on such date. If the Administrative Agent makes any such advance, the Administrative Agent shall be entitled to recover the amount so advanced on demand from the Lender on whose behalf such advance was made and, if such Lender does not pay the Administrative Agent the amount of such advance on demand, the Borrower agrees promptly to repay such amount to the Administrative Agent. Until such amount is repaid to the Administrative Agent by such Lender or the Borrower, such advance shall be deemed for all purposes to be a Loan made on such Borrowing Date by the Administrative Agent. The Administrative Agent shall be entitled to recover from the Lender or the Borrower, as the case may be, interest on the amount advanced by it for each day from the Borrowing Date therefor until repaid to the Administrative Agent, at a rate per annum equal to the Federal Funds Effective Rate until the third Business Day after the date of the advance and, thereafter, at the rate per annum equal to the relevant rate on Loans made on the relevant Borrowing Date.

Section 4.02 Method and Time of Payments; Sharing among Lenders.

(a) All funds received by the Administrative Agent for the account of the Lenders in respect of payments made by the Borrower under, or from any other Person on account of, any Credit Document shall be distributed forthwith by the Administrative Agent among the Lenders, in like funds as received, ratably in proportion to their respective interests therein. Each payment of Commitment Fees and each reduction of the Total Commitment shall be apportioned among the Lenders in proportion to each Lender's Pro Rata Share.

(b) All payments by the Borrower hereunder shall be made without setoff or counterclaim to the Administrative Agent, for its account or for the account of the Lender or Lenders entitled thereto, as the case may be, in U.S. dollars and in immediately available funds at the office of the Administrative Agent prior to 3:00 P.M., New York time, on the date when due; provided, however, that the Borrower shall have setoff rights with respect to any Defaulting Lender with the application of any amounts payable to a Defaulting Lender to be administered by the Administrative Agent pursuant to Section 2.06(a)(iii).

(c) Whenever any payment from the Borrower shall be due on a day that is not a Business Day, the date of payment thereof shall be extended to the next succeeding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment from the Borrower is due that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, but shall not be obligated to, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Effective Rate.

(e) If any Lender shall receive from the Borrower or any other Person any amount owing under any Credit Document (whether received pursuant to the exercise of any right of set-off, banker's lien, realization upon any security held for or appropriated to such obligation or otherwise) other than in proportion to such Lender's ratable share thereof, then such Lender shall purchase from each other Lender a participating interest in so much of the other Lenders' Loans as shall be necessary in order that each Lender shall share such payment with each of the other Lenders in proportion to each Lender's ratable share; provided that nothing herein contained shall obligate any Lender to apply any set-off, banker's lien or collateral security first to the obligations of the Borrower hereunder if the Borrower is obligated to such Lender pursuant to other loans or notes. If any purchasing Lender shall be required to return any excess payment received by it, such participation shall be rescinded and the purchase price restored to the extent of such return, but without interest.

Section 4.03 Compensation for Losses.

(a) If (i) the Borrower makes a prepayment of a Term SOFR Loan, or a Conversion Date occurs for a Term SOFR Loan, other than on the last day of the relevant Interest Period, (ii) the Borrower fails to borrow, convert, continue or prepay any Term SOFR Loan on the date specified in any notice delivered pursuant hereto, (iii) the Borrower revokes any Borrowing Request for Term SOFR Loans, (iv) Term SOFR Loans (or portions thereof) are converted into ABR Loans or Daily Simple SOFR Loans pursuant to Section 4.05 at any time other than at the end of an Interest Period or (v) Term SOFR Loans (or portions thereof) shall become or be declared to be due prior to the scheduled maturity thereof, then the Borrower shall pay to each Lender an amount that will compensate such Lender for any loss (other than lost profit) or premium or penalty incurred by such Lender as a result of such prepayment, conversion, declaration or revocation in respect of funds obtained for the purpose of making or maintaining such Lender's Term SOFR Loans, or any portion thereof. Such compensation shall include any loss, cost and expense attributable to such event arising from the liquidation or redeployment of funds.

(b) In connection with a demand for payment pursuant to this Section 4.03, a Lender shall provide to the Borrower, with a copy to the Administrative Agent, a certificate, signed by an officer of such Lender, setting forth in reasonable detail the amount required to be paid by the Borrower to such Lender and the computations made by such Lender to determine such amount. In the absence of demonstrable error, such certificate shall be conclusive as to the amount so required to be paid.

Section 4.04 Withholding and Additional Costs.

(a) Withholding.

(i) To the extent permitted by law, all payments under this Agreement and under the Revolving Credit Notes (including payments of principal and interest) shall be payable to each Lender free and clear of any and all present and future taxes, levies, imposts, duties, deductions, withholdings, fees, liabilities and similar charges other than Excluded Taxes (collectively, "Taxes"). If any Taxes are required to be withheld or deducted from any amount payable under this Agreement, then the amount payable under this Agreement shall be increased to the amount which, after deduction from such increased amount of all Taxes required to be withheld or deducted therefrom, will yield to such Lender the amount stated to be payable under this Agreement. The Borrower shall also hold each Lender harmless and indemnify it for any stamp or other taxes with respect to the preparation, execution, delivery, recording, performance or enforcement of the Credit Documents (all of which shall be included within "Taxes"). If any of the Taxes specified in this Section 4.04(a) are paid by any Lender, the Borrower shall, upon demand of such Lender, promptly reimburse such Lender for such payments, together with any interest, penalties and expenses incurred in connection therewith; provided, however, that the Borrower shall not be required to reimburse any Lender for any penalties incurred or caused by the failure or delay on the part of such Lender to pay any of the Taxes specified in this Section 4.04(a). The Borrower shall deliver to the Administrative Agent certificates or other valid vouchers for all Taxes or other charges deducted from or paid with respect to payments made by

the Borrower hereunder. Notwithstanding the foregoing, the Borrower shall be entitled, to the extent required to do so by law, to deduct or withhold (and shall not be required to make payments as otherwise required by this Section 4.04 on account of such deductions or withholdings) income or other similar taxes imposed by the United States of America from interest, fees or other amounts payable hereunder for the account of any Lender other than a Lender (A) that is a U.S. Person for U.S. federal income tax purposes or (B) that has the Prescribed Forms on file with the Borrower for the applicable year to the extent deduction or withholding of such taxes is not required as a result of such filing of such Prescribed Forms; provided that, if the Borrower shall so deduct or withhold any such taxes, the Borrower shall provide a statement to the Administrative Agent and such Lender, setting forth the amount of such taxes so deducted or withheld, the applicable rate and any other information or documentation which such Lender may reasonably request for assisting such Lender to obtain any allowable credits or deductions for the taxes so deducted or withheld in the jurisdiction or jurisdictions in which such Lender is subject to tax.

(ii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E (the "Prescribed Forms") establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(B) executed copies of IRS Form W-8ECI;

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit K-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(D) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-2 or Exhibit K-3, IRS Form W-9, and/or other certification documents

from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-4 on behalf of each such direct and indirect partner;

(iii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(iv) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(b) Additional Costs. Subject to Sections 4.04(c), (d) and (e):

(i) Without duplication of any amounts payable described in Section 3.03 or 4.03(a), if after the date hereof, any Regulatory Change shall (1) impose, modify or deem applicable any reserve, special deposit or similar requirement against any Lender's Commitment or Loans, (2) subject the Administrative Agent or any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Excluded Taxes (other than Taxes measured by the overall capital or net worth of the Administrative Agent or such Lender) and (C) Other Connection Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, or (3) impose on any Lender (or such Lender's Applicable Lending Office) any other condition regarding this Agreement, its Commitment or the Loans and the result of any event referred to in clause (1), (2) or (3) shall be to increase the cost to such Lender (or such Lender's Applicable Lending Office) of maintaining its Commitment or any SOFR Loans made by such Lender (which increase in cost shall be calculated in accordance with such Lender's reasonable averaging and attribution methods) by an amount which such Lender deems to be material, then, upon demand by such Lender, the Borrower shall pay to the Administrative Agent or such Lender, as the case may be, on demand, an amount equal to such increase in cost; and

(ii) Without duplication of any amounts payable described in Section 3.03 or 4.03(a), if any Lender shall have determined that any Regulatory Change relating to capital adequacy or liquidity (including any Regulatory Change made prior to the date hereof but not effective until after the date hereof), or compliance by such Lender (or such Lender's Applicable Lending Office) with any Regulatory Change regarding capital adequacy or liquidity (whether or not having the force of law), has or would have the effect of, reducing the rate of

return on capital for such Lender (or such Lender's Applicable Lending Office) or any corporation controlling such Lender as a consequence of its obligations under this Agreement to a level below that which such Lender (or such Lender's Applicable Lending Office) or such corporation could have achieved but for such Regulatory Change (taking into consideration such Lender's (or such Lender's Applicable Lending Office) or such corporation's policies with respect to capital adequacy or liquidity), then from time to time, upon demand by such Lender, the Borrower shall pay to such Lender, on demand, such additional amount or amounts as will compensate such Lender (or such Lender's Applicable Lending Office) or such corporation for such reduction.

(c) Lending Office Designations. Before making any demand for payment pursuant to this Section 4.04, each Lender shall, if possible, designate a different Applicable Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender.

(d) Certificate, Etc. In connection with any demand for payment pursuant to this Section 4.04, a Lender shall provide to the Borrower, with a copy to the Administrative Agent, a certificate, signed by an officer of such Lender, setting forth in reasonable detail the basis for such demand, the amount required to be paid by the Borrower to such Lender and the computations made by such Lender to determine such amount.

(e) Limitations; Delay in Requests. The Borrower shall not be obligated to compensate a Lender for any amount under Section 4.04(b) arising or occurring more than (i) 90 days prior to the date on which an office of such Lender primarily responsible for the administration of this Agreement obtains actual knowledge that such Lender is entitled to such compensation or (ii) nine months prior to the date that such Lender notifies the Borrower of the Regulatory Change giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Regulatory Change giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(f) FATCA. If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by any Requirement of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 4.04(f), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(g) Cooperation. The Borrower agrees, upon the request of the Administrative Agent or any Lender, promptly to execute, deliver and complete such forms, certificates and other documents, make such filings and otherwise cooperate with the Administrative Agent or such Lender, in each case as the Administrative Agent or such Lender may reasonably request from time to time, in order for the Administrative Agent or such Lender to establish that the Administrative Agent or such Lender is not subject to, or is entitled to a reduction in the amount of or exemption from, any deduction, withholding or other Taxes with respect to any payments to the Administrative Agent or such Lender for principal, interest, fees or other amounts under the Credit Documents, including United Kingdom HM Revenue & Customs' Form DTTP2.

Section 4.05 Funding Impracticable; Alternate Rate of Interest.

(a) If at any time any Lender shall have determined in good faith (which determination shall be conclusive) that the making or maintenance of all or any part of such Lender's SOFR Loans has been made impracticable or unlawful because of compliance by such Lender in good faith with any law or guideline or interpretation or administration thereof by any Governmental Authority charged with the interpretation or administration thereof or with any request or directive of such body (whether or not having the effect of law) then the Administrative Agent, upon notification to it of such determination by such Lender, shall forthwith advise the other Lenders and the Borrower thereof. Upon such date as shall be specified in such notice and until such time as the Administrative Agent, upon notification to it by such Lender, shall notify the Borrower and the other Lenders that the circumstances specified by it in such notice no longer apply, (i) notwithstanding any other provision of this Agreement, such SOFR Loans shall, automatically and without requirement of further notice, or any payment pursuant to Section 4.03 or 4.04, by the Borrower, be converted to ABR Loans, and (ii) the obligation of such Lender to make or continue SOFR Loans shall be suspended, and, if the Borrower shall request in a Borrowing Request or a Conversion Request that the Lenders make a SOFR Loan, the Loan requested to be made by such Lender shall instead be made as an ABR Loan.

(b) Subject to Section 4.09, if, at any time with respect to any Daily Simple SOFR Loan, and prior to the commencement of any Interest Period with respect to any Term SOFR Loan:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that adequate and reasonable means do not exist for ascertaining Adjusted Daily Simple SOFR or Adjusted Term SOFR for such Interest Period, as the case may be; or

(ii) the Administrative Agent is advised by the Required Lenders that (A) Adjusted Daily Simple SOFR or Adjusted Term SOFR for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Daily Simple SOFR Loans or Term SOFR Loans, as the case may be, for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders (upon the instruction of the Required Lenders with respect to notice given pursuant to clause (ii) above) that the circumstances giving rise to such notice no longer exist, (i) any Conversion Request that requests the conversion of any Loan to, or continuation of any Loan as, a SOFR Loan shall be ineffective, and (ii) if any Borrowing Request requests a SOFR Loan, such Loan shall be made as an ABR Loan. Any Daily Simple SOFR Loans outstanding at the commencement of any such suspension shall be immediately converted into ABR Loans. Any Term SOFR Loans outstanding at the commencement of any such suspension shall be converted at the end of the then current Interest Period for such Term SOFR Loans into ABR Loans, unless such suspension has then ended.

(c) The Administrative Agent does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission of, calculation of or any other matter related to the Alternate Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR, Adjusted Daily Simple SOFR, Daily Simple SOFR, or Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the Alternate Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR, Adjusted Daily Simple SOFR, Term SOFR, Daily Simple SOFR, or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of the Alternate Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR, Adjusted Daily Simple SOFR, Term SOFR, Daily Simple SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain the Alternate Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR, Adjusted Daily Simple SOFR, Term SOFR, Daily Simple SOFR or any other Benchmark, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Section 4.06 Expenses; Indemnity; Damage Waivers.

(a) The Borrower agrees, whether or not any Loan is made, to pay or reimburse the Administrative Agent all of its reasonable out-of-pocket fees and expenses incurred in connection with the development, preparation, negotiation, execution, closing and syndication of, the Credit Documents and the administration of the credit facility established under the Credit Documents and any amendment, supplement or modification thereto (whether

or not executed or effective) and any documents prepared in connection therewith, including, without limitation, the reasonable fees and disbursements of counsel to the Administrative Agent and the maintenance of an electronic platform (including without limitation charges of DebtDomain or any similar electronic information platform) or information transmission systems in connection with this Agreement.

(b) The Borrower agrees to pay all reasonable out-of-pocket fees and expenses incurred by the Administrative Agent and, after the occurrence and during the continuance of an Event of Default, the Joint Lead Arrangers, the Joint Bookrunners or any Lender (including, without limitation, the reasonable fees and disbursements of one counsel to the Administrative Agent, unless (and to the extent) conflicts of interest require the use of more than one counsel) in connection with the enforcement of, and the protection of their respective rights under, any provision of any Credit Document or any amendment or supplement to this Agreement (including all such fees and expenses incurred during any “workout” or restructuring in respect of the Obligations and during any legal proceeding, including any bankruptcy proceeding).

(c) The Borrower agrees to indemnify the Administrative Agent, the Joint Lead Arrangers, the Joint Bookrunners, each of the Lenders and each of their respective Affiliates and their respective directors, officers, employees, agents and advisors (each, an “Indemnitee”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including counsel fees and expenses, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of any Credit Document or any agreement or instrument contemplated by any Credit Document, the performance by the parties thereto of their respective obligations under any Credit Document or the consummation of the transactions contemplated by any Credit Document, (ii) the use of the proceeds of the Loans or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. In connection with any claim for indemnification pursuant to this Agreement by more than one Indemnitee, all such Indemnitees shall be represented by the same legal counsel selected by the Indemnitees; provided that if such legal counsel determines in good faith that representing all such Indemnitees is reasonably likely to result in a conflict of interest under laws or ethical principles applicable to such legal counsel or that a defense or counterclaim is available to an Indemnitee that is not available to all such Indemnitees, then to the extent reasonably necessary to avoid such a conflict of interest or to permit unqualified assertion of such a defense or counterclaim, each Indemnitee shall be entitled to separate representation.

(d) All amounts due under this Section 4.06 shall be payable in immediately available funds upon written demand therefor.

(e) To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Credit Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan, or the use of the proceeds thereof. No Indemnitee referred to in paragraph (c) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby.

Section 4.07 Survival.

The provisions of Sections 4.03, 4.04, 4.06 and 9.06, shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the reduction or termination of any Commitments, the invalidity or unenforceability of any term or provision of any Credit Document, or any investigation made by or on behalf of the Lenders.

Section 4.08 Replacement of a Lender.

Notwithstanding anything to the contrary contained herein, if any Lender shall request compensation pursuant to Section 4.04(b)(i) or (ii) then, in each case, the Borrower may require that such Lender transfer all of its right, title and interest under this Agreement and such Lender's Revolving Credit Notes to one or more of the other Lenders or any other lender identified by the Borrower and reasonably acceptable to the Administrative Agent as a Replacement Lender which is willing to assume all of the obligations of such Lender, for consideration equal to the outstanding principal amount of such Lender's Loans, together with interest thereon to the date of such transfer and all other amounts payable under the Credit Documents to such Lender on or prior to the date of such transfer (including, without limitation, any fees accrued hereunder and any amounts which would be payable under Section 4.03 as if all of such Lender's Loans were being prepaid in full on such date). Subject to the execution and delivery of new notes, an Assignment and Acceptance, and such other documents as such Lender may reasonably require, such Replacement Lender shall be a "Lender" for all purposes hereunder. Without prejudice to the survival of any other agreement of the Borrower hereunder, the agreements of the Borrower contained in Sections 4.04 and 4.06 (without duplication of any payments made to such Lender by the Borrower or the Replacement Lender) shall survive for the benefit of any Lender replaced under this Section 4.08 with respect to the time prior to such replacement.

Section 4.09 Benchmark Replacement Setting.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Credit Document, upon the occurrence of a Benchmark Transition Event in relation to any then-current Benchmark, the Administrative Agent and the Borrower may amend this Agreement to replace the impacted then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower so long as

the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 4.09(a) will occur prior to the applicable Benchmark Transition Start Date.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will promptly notify the Borrower of the removal or reinstatement of any tenor of a Benchmark pursuant to Section 4.09(d). Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 4.09, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 4.09.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the administrator of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks, then the Administrative Agent, in consultation with the Borrower, may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable, non-representative, non-compliant or non-aligned tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks for a Benchmark (including a Benchmark Replacement), then the Administrative Agent, in consultation with the Borrower, may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a SOFR Loan of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to ABR Loans. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

(f) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a Term SOFR Loan of, conversion to or continuation of Term SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to ABR Loans. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

(ii) the Borrower and each of its Significant Subsidiaries has the corporate (or analogous) power and authority and all necessary governmental licenses, authorizations, consents and approvals material to the ownership of its assets and the carrying on of its business except as would not be reasonably expected to have a Material Adverse Effect;

(iv) the Borrower is duly qualified as a foreign corporation, licensed and in good standing under the laws of each jurisdiction where its ownership, lease or operation of Property or the conduct of its business requires such qualification, except any such failure to be qualified, licensed or in good standing as would not be reasonably expected to have a Material Adverse Effect.

(b) Corporate Authorization; No Contravention. The execution, delivery, and performance by the Borrower of the Credit Documents have been duly authorized by all necessary corporate action and do not and will not:

(i) contravene the terms of the Borrower's articles of incorporation, bylaws or other organizational document;

(ii) conflict with or result in any breach or contravention of, or the creation of any Lien under, any Contractual Obligation, injunction, order or decree to which the Borrower is a party or by which it is bound including, without limitation, the CPUC Order; or

(iii) violate any Requirement of Law.

(c) Governmental Authorization. No consent, approval, authorization or order of any Governmental Authority is required for due execution, delivery and performance by the Borrower of the Credit Documents, other than the CPUC Order, which has been obtained and is in full force and effect.

(d) Binding Effect. This Agreement is, and the Revolving Credit Notes when delivered hereunder will be, legal, valid and binding obligations of the Borrower enforceable against the Borrower in accordance with their respective terms subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(e) Litigation. No injunction, writ, temporary restraining order or any order of any nature has been issued by any court or other Governmental Authority purporting to enjoin or restrain the execution, delivery and performance of any Credit Document or directing that the transactions provided for herein not be consummated as herein provided.

(f) No Default. No Default or Event of Default exists or would result from the incurring of the Obligations by the Borrower under this Agreement. Neither the Borrower, nor any of its Significant Subsidiaries, is in default under or with respect to any Contractual Obligation which, individually or together with all such defaults, would have a Material Adverse Effect.

(g) ERISA Compliance. (i) Each Qualified Plan is in compliance in all material respects with the applicable provisions of ERISA, the Code and other federal or state law, including all requirements under the Code or ERISA for filing reports (which are true and correct in all material respects as of the date filed), and to the best knowledge of the Borrower, benefits have been paid in accordance with the provisions of such Plan.

(i) Each Qualified Plan has been determined by the IRS to qualify under Section 401 of the Code or is the subject of a favorable IRS opinion letter, the IRS has not determined that any amendment to any Qualified Plan does not qualify under Section 401 of the Code, and the trusts created thereunder have been determined to be exempt from tax under the provisions of Section 501 of the Code, and to the best knowledge of the Borrower, nothing has occurred which would cause the loss of such qualification or tax-exempt status.

(ii) There is no material outstanding liability under Title IV of ERISA (other than the liability of the Plan to pay benefits) with respect to any Plan maintained or sponsored by the Borrower or any ERISA Affiliate (as to which the Borrower is or may be liable), or with respect to any Plan to which the Borrower or any ERISA Affiliate (wherein the Borrower is or may be liable) contributes or is obligated to contribute.

(iii) None of the Pension Plans has any Unfunded Pension Liability in excess of ten percent (10%) of the Net Worth as to which the Borrower is or may be liable.

(iv) No ERISA Event has occurred or is reasonably expected to occur with respect to any Plan maintained or sponsored by the Borrower or to which the Borrower is obligated to contribute.

(v) There are no pending or, to the best knowledge of the Borrower, threatened claims, actions or lawsuits, other than routine claims for benefits in the usual and ordinary course, asserted or instituted against (i) any Plan maintained or sponsored by the Borrower or its assets, (ii) any ERISA Affiliate with respect to any Qualified Plan of the Borrower, or (iii) any fiduciary with respect to any Plan for which the Borrower may be directly or indirectly liable, through indemnification obligations or otherwise, which would be reasonably likely to have a Material Adverse Effect.

(vi) The Borrower has not incurred nor reasonably expects to incur (i) any liability (and no event has occurred which, with the giving of notice under Section 4219 of ERISA, would result in such liability) under Section 4201 or 4243 of ERISA with respect to a Multiemployer Plan or (ii) any liability under Title IV of ERISA (other than premiums due and not delinquent under Section 4007 of ERISA) with respect to a Qualified Plan except for liability that would not be reasonably expected to have a Material Adverse Effect.

(vii) The Borrower has not transferred any Unfunded Pension Liability to any entity other than an ERISA Affiliate or otherwise engaged in a transaction that could be subject to Section 4069 or 4212(c) of ERISA except as would not be reasonably expected to have a Material Adverse Effect.

(viii) The Borrower has not engaged, directly or indirectly, in a non-exempt prohibited transaction (as defined in Section 4975 of the Code or Section 406 of ERISA) in connection with any Plan which would have a Material Adverse Effect.

(h) Use of Proceeds; Margin Regulations. No Loans will be used, directly or indirectly, (i) to purchase or carry Margin Stock or (ii) to repay or otherwise refinance indebtedness of the Borrower or others incurred to purchase or carry Margin Stock or (iii) to extend credit for the purpose of purchasing or carrying any Margin Stock.

(i) Title to Property. The Borrower and each of its Significant Subsidiaries has sufficient and legal title in fee simple to or valid leasehold interest in all its real Property, except for such defects in title as could not, individually or in the aggregate, have a Material Adverse Effect. Such Property is free and clear of all Liens, except Permitted Liens.

(j) Taxes. The Borrower and its Subsidiaries have filed all federal and other material tax returns and reports required to be filed and have paid all federal and other material taxes, assessments, fees and other governmental charges levied or imposed upon them or their respective Property, income or assets otherwise due and payable except (a) those which are being contested in good faith by appropriate proceedings and for which adequate reserves have been provided in accordance with GAAP, and (b) those levied or imposed on Subsidiaries other than Significant Subsidiaries the nonpayment of which would not, in the aggregate, have a Material Adverse Effect. To the best knowledge of the Borrower, there is no proposed tax assessment against the Borrower or any of its Subsidiaries which would, if the assessment were made, have a Material Adverse Effect.

(k) Financial Condition. The audited consolidated balance sheet of the Borrower and its consolidated Subsidiaries as of December 31, 2019 and the related consolidated statements of income, changes in shareholders' equity and cash flows for the period then ended, copies of which have been furnished to the Administrative Agent and the Lenders, fairly present the consolidated financial condition of the Borrower and its consolidated Subsidiaries as of, and the results of its operations and cash flows for, the period then ended, applied on a consistent basis. Such financial statements were prepared in accordance with GAAP consistently applied throughout the period covered thereby, are complete and accurate, and show all material indebtedness and other liabilities of the Borrower and its consolidated Subsidiaries as of the date thereof (including liabilities for taxes and material commitments).

(l) Environmental Matters.

(i) The operations of the Borrower and each of its Subsidiaries comply with all Environmental Laws except where such noncompliance would not have a Material Adverse Effect.

(ii) The Borrower and each of its Subsidiaries have obtained all licenses, permits, authorizations and registrations required under any Environmental Law ("Environmental Permits") necessary for its operations, and all such Environmental Permits are in good standing, and the Borrower and each of its Subsidiaries are in compliance with all terms and conditions of such Environmental Permits, except where the failure so to obtain, be in good standing or be in compliance would not have a Material Adverse Effect.

(iii) None of the Borrower, any of its Subsidiaries or any of their present Property or operations is subject to any outstanding written order from or agreement with any Governmental Authority or other Person, nor subject to any judicial or docketed administrative proceeding, respecting any Environmental Law, Environmental Claim or Hazardous Material which would have a Material Adverse Effect.

(iv) There are no conditions or circumstances which may give rise to any Environmental Claim arising from the operations of the Borrower or its Subsidiaries which would have a Material Adverse Effect. Without limiting the generality of the foregoing, except as would not, in the aggregate, have a Material Adverse Effect (i) neither the Borrower nor any of its Subsidiaries has any underground storage tanks (x) that are not properly registered or permitted under applicable Environmental Laws or (y) that are leaking or disposing of Hazardous Materials offsite and (ii) the Borrower and its Subsidiaries have notified all of their employees of the existence, if any, of any health hazard arising from the conditions of their employment and have met all notification requirements under Title III of CERCLA or any other Environmental Law.

(m) Investment Company. Neither the Borrower nor any Person controlling the Borrower is an "Investment Company" within the meaning of the Investment Company Act of 1940.

(n) Labor Relations. There are no strikes, lockouts or other labor disputes against the Borrower or any of its Subsidiaries or, to the best of the Borrower's knowledge, threatened against or affecting the Borrower or any of its Subsidiaries which would have a Material Adverse Effect, and no significant unfair labor practice complaint is pending against the Borrower or any of its Subsidiaries or, to the best knowledge of the Borrower, threatened against any of them before any Governmental Authority which would have a Material Adverse Effect.

(o) Insurance. The Property of the Borrower and its Significant Subsidiaries are insured with financially sound and reputable insurance companies, in such amounts, with such deductibles and covering such risks as is customarily carried by companies engaged in similar businesses and owning similar Property in localities where the Borrower or such Significant Subsidiary operates.

(p) Full Disclosure. None of the representations or warranties made by the Borrower in this Agreement as of the date of such representations and warranties, and none of the statements contained in any certificate furnished by or on behalf of the Borrower in connection with this Agreement contains any untrue statement of a material fact or omits any material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they are made, not misleading.

(q) Compliance with Applicable Laws. Neither the Borrower nor any Subsidiary is in default with respect to any judgment, order, writ, injunction, decree or decision of any Governmental Authority which default would have a Material Adverse Effect. The Borrower and each Subsidiary is complying in all material respects with all applicable statutes and regulations, including ERISA and applicable occupational, safety and health and other labor laws, of all Governmental Authorities, a violation of which would have a Material Adverse Effect.

(r) Ranking. The Obligations of the Borrower to the Lenders to be undertaken under the Credit Documents rank senior to or pari passu with other Unsecured Debt of the Borrower.

(s) Anti-Corruption Laws and Anti-Terrorism Laws.

(i) None of the Borrower or any of its Subsidiaries or, to the knowledge of the Borrower or any of its Subsidiaries, any director, officer, employee, agent or Affiliate of the Borrower or any of its Subsidiaries is a Person that is, or is owned or controlled by Persons that are: (A) the subject of any Sanctions or (B) located, organized or resident in a country or territory that is, or whose government is, the subject of Sanctions.

(ii) Each of the Borrower and its Subsidiaries has implemented and maintains in effect policies and procedures designed to ensure compliance by the Borrower and each such Subsidiary thereof with Sanctions, Anti-Corruption Laws and Anti-Terrorism Laws.

(iii) The operations of the Borrower and its Subsidiaries are conducted in compliance with all applicable Anti-Corruption Laws and Anti-Terrorism Laws and no action, suit or proceeding by or before any Governmental Authority involving the Borrower or any of its Subsidiaries with respect to any potential violation of the Anti-Corruption Laws or Anti-Terrorism Laws is pending, or to the knowledge of the Borrower threatened in writing. The Borrower has provided to the Administrative Agent and the Lenders all information that has been requested regarding the Borrower and its Subsidiaries and its Affiliates necessary for the Administrative Agent and the Lenders to comply with “know your customer” and Anti-Terrorism Laws and such information is correct.

(t) Beneficial Ownership Certification. As of the Restatement Effective Date, to the best knowledge of the Borrower, the information included in the Beneficial Ownership Certification provided on or prior to the Restatement Effective Date to the Administrative Agent in connection with this Agreement is true and correct in all respects.

Section 5.02 Survival.

All representations and warranties made by the Borrower in this Agreement, and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement, shall (i) be considered to have been relied upon by the Lenders, (ii) survive the making of Loans regardless of any investigation made by, or on behalf of, the Lenders, and (iii) continue in full force and effect as long as the Commitments have not been terminated and, thereafter, so long as any Loan, fee or other amount payable hereunder remains unpaid.

Each Lender appoints The Bank of New York Mellon as its agent hereunder and irrevocably authorizes the Administrative Agent to take such action on its behalf and to exercise such powers hereunder as are specifically delegated to the Administrative Agent by the terms hereof, together with such powers as are reasonably incidental thereto, and the Administrative Agent hereby accepts such appointment subject to the terms hereof. The relationship between the Administrative Agent and the Lenders shall be that of agent and principal only and nothing herein shall be construed to constitute the Administrative Agent a trustee or fiduciary for any Lender nor to impose on the Administrative Agent duties or obligations other than those expressly provided for herein.

Section 9.02 The Administrative Agent's Duties.

The Administrative Agent shall promptly forward to each Lender copies, or notify each Lender as to the contents, of all notices received from the Borrower pursuant to the terms of this Agreement and, in the event that the Borrower fails to pay when due the principal of or interest on any Loan, the Administrative Agent shall promptly give notice thereof to the Lenders. As to any other matter not expressly provided for herein, the Administrative Agent shall have no duty to act or refrain from acting with respect to the Borrower, except upon the instructions of the Required Lenders. The Administrative Agent shall not be bound by any waiver, amendment, supplement, or modification of this Agreement which affects its duties hereunder, unless it shall have given its prior written consent thereto. The Administrative Agent shall have no duty to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements binding on the Borrower pursuant to this Agreement nor shall the Administrative Agent be deemed to have knowledge of the occurrence of any Default or Event of Default (other than a failure of the Borrower to pay when due the principal or interest on any Loan), unless it shall have received written notice from the Borrower or a Lender specifying such Default or Event of Default and stating that such notice is a "Notice of Default".

Section 9.03 Limitation of Liabilities.

Each of the Lenders and the Borrower agree that (i) neither the Administrative Agent nor any of its officers or employees shall be liable for any action taken or omitted to be taken by any of them hereunder except for its or their own gross negligence or willful misconduct as determined by a final and nonappealable ruling by a court of competent jurisdiction, (ii) neither the

Administrative Agent nor any of its officers or employees shall be liable for any action taken or omitted to be taken by any of them in good faith in reliance upon the advice of counsel, independent public accountants or other experts selected by the Administrative Agent, and (iii) the Administrative Agent shall be entitled to rely upon any notice, consent, certificate, statement or other document believed by it to be genuine and correct and to have been signed and/or sent by the proper Persons.

Section 9.04 The Administrative Agent as a Lender.

The Administrative Agent may maintain deposits or credit balances for, invest in, lend money to and generally engage in any kind of banking business with the Borrower or any Subsidiary or Affiliate of the Borrower without any duty to account therefor to the Lenders.

Section 9.05 Lender Credit Decision.

Neither the Administrative Agent, nor any of its Affiliates, officers or employees has any responsibility for, gives any guaranty in respect of, nor makes any representation to the Lenders as to, (i) the condition, financial or otherwise, of the Borrower or any Subsidiary thereof or the truth of any representation or warranty given or made in this Agreement, or in connection herewith or (ii) the validity, execution, sufficiency, effectiveness, construction, adequacy, enforceability or value of this Agreement or any other document or instrument related hereto. Except as specifically provided herein, neither the Administrative Agent nor any of its Affiliates, officers or employees shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect to the operations, business, property, condition or creditworthiness of the Borrower or any of its Subsidiaries, whether such information comes into the Administrative Agent's possession on or before the date hereof or at any time thereafter. Each Lender acknowledges that (i) it has, independently and without reliance upon the Administrative Agent or any other Lender, based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and (ii) all information reviewed by it in its credit analysis or otherwise in connection herewith has been provided solely by or on behalf of the Borrower, and the Administrative Agent has no responsibility for such information. Each Lender also acknowledges that it will independently and without reliance upon the Administrative Agent or any other Lender, based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under any Credit Document.

Section 9.06 Indemnification.

Each Lender agrees to indemnify the Administrative Agent, to the extent not reimbursed by the Borrower, ratably in proportion to its Commitment, from and against any and all liabilities, obligations, losses, claims, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent in any way relating to or arising out of this Agreement, or any action taken or omitted to be taken by the Administrative Agent hereunder; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the gross negligence or willful misconduct of the Administrative Agent or any of its officers or employees

as determined by a final and nonappealable ruling by a court of competent jurisdiction. Without limiting the foregoing, each Lender agrees to reimburse the Administrative Agent promptly upon demand for its ratable share of any out-of-pocket expenses (including fees and disbursements of counsel incurred by the Administrative Agent) in connection with the preparation, execution or enforcement of, or legal advice in respect of rights or responsibilities under, any Credit Document or any amendments or supplements thereto, to the extent that the Administrative Agent is not reimbursed for such expenses by the Borrower. Except for action expressly required of the Administrative Agent hereunder, the Administrative Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall receive further assurances to its satisfaction from the Lenders of their indemnification obligations under this Section 9.06 against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action.

Section 9.07 Successor Administrative Agent.

The Administrative Agent may resign at any time by giving 30 days' prior written notice thereof (unless the parties agree otherwise) to the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent reasonably acceptable to the Borrower. If no successor Administrative Agent shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the resigning Administrative Agent's giving of notice of resignation, the resigning Administrative Agent may appoint a successor Administrative Agent, which shall be a commercial bank organized or licensed under the laws of the United States of America or of any State thereof and having a combined capital and surplus of at least \$250,000,000. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the resigned Administrative Agent, and the resigned Administrative Agent shall be discharged from its duties and obligations under this Agreement. After any Administrative Agent's resignation, the provisions of this Article IX shall continue to inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement.

Section 9.08 No Duty Regarding Discretionary Actions.

The Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or applicable law.

Section 9.09 Syndication and Other Agents.

Notwithstanding anything herein to the contrary, the Joint Lead Arrangers, the Joint Bookrunners and the Co-Syndication Agents named on the cover page of this Agreement shall not have any duties or liabilities under this Agreement, except in their respective capacities, if any, as Lenders.

ARTICLE X

EVIDENCE OF LOANS; TRANSFERS

Section 10.01 Evidence of Loans; Revolving Credit Notes.

The Borrower's obligation to repay the Loans shall be evidenced by Revolving Credit Notes if requested by each Lender, one such payable to the order of each such Lender. The Revolving Credit Note of each Lender shall (i) be in the principal amount of such Lender's Commitment, (ii) be dated the Restatement Effective Date (or the effective date on which such Lender becomes a Lender hereunder) and (iii) be stated to mature on the Termination Date and bear interest from its date until maturity on the principal balance (from time to time outstanding thereunder) payable at the rates and in the manner provided herein. Each Lender is authorized to indicate upon the grid attached to its Revolving Credit Note all Loans made by it pursuant to this Agreement, interest elections and payments of principal and interest thereon. Such notations shall be presumptive, absent manifest error, as to the aggregate unpaid principal amount of all Loans made by such Lender, and interest due thereon, but the failure by any Lender to make such notations or the inaccuracy or incompleteness of any such notations shall not affect the obligations of the Borrower hereunder or under the Revolving Credit Notes.

Section 10.02 Participations.

(a) Any Lender may at any time grant to one or more financial institutions (but not to a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person, or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each a "Participant") participating interests in its Commitment or any or all of its Loans. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and, except to the extent such participating interest has been granted pursuant to Section 4.02(e), the Borrower and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement described in clauses (i) through (vi), inclusive, of Section 11.06(b) without the consent of the Participant.

(b) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a

Participant's interest in any Commitments, Loans, or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) The Borrower agrees that each Participant shall be entitled to the benefits of Sections 4.03 and 4.04(b) (subject to the requirements and limitations in Section 4.04, including the requirements under Section 4.04(a) (it being understood that the documentation required under Section 4.04(a) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.03; provided that such Participant (A) agrees to be subject to the provisions of Section 4.08 as if it were an assignee under Section 10.03; and (B) shall not be entitled to receive any greater payment under Section 4.04(b), with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Regulatory Change that occurs after the Participant acquired the applicable participation.

(d) To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.04 as though it were a Lender; provided that such Participant agrees to be subject to Section 4.02(e) as though it were a Lender.

Section 10.03 Assignments.

(a) Any Lender may at any time assign to one or more financial institutions (but not to a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person, or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each an "Assignee"), other than a Defaulting Lender or a subsidiary thereof or any financial institution who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a subsidiary thereof, all, or a proportionate part of all, of its rights and obligations under this Agreement, and such Assignee shall assume such rights and obligations, pursuant to an instrument, in substantially the form of Exhibit E (an "Assignment and Acceptance"), executed by such Assignee and such transferring Lender, with (and subject to) the signed consent of the Borrower (which consent shall not be unreasonably withheld or delayed and which consent shall be deemed to have been given if the Borrower has not responded within ten Business Days of its receipt of a written request for such consent) and the Administrative Agent (which consent shall not be unreasonably withheld); provided that (i) each such assignment (other than assignments (x) to its Affiliates, (y) to an Approved Fund, or (z) of its entire interest) shall be in a minimum amount of \$10,000,000 or in integral multiples of \$1,000,000 in excess thereof (unless otherwise approved by the Administrative Agent in its sole discretion), (ii) each assignee shall be an Eligible Institution, and (iii) after giving effect to each such assignment, the Commitment of the assignor (if it has not assigned its entire interest) and of the assignee shall be at least \$5,000,000; provided further, that the foregoing consent requirement shall not be applicable in the case of an assignment or other transfer by any Lender to an Affiliate of such Lender, to another Lender, or to an Approved Fund; provided further, that

any consent of the Borrower otherwise required under this Section shall not be required if an Event of Default has occurred and is continuing; and provided further, that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five Business Days after having received notice thereof. Upon execution and delivery of an Assignment and Acceptance and payment by such Assignee to such transferring Lender of an amount equal to the purchase price agreed between such transferring Lender and such Assignee and payment by the transferring Lender or the Assignee of an assignment fee of \$4,500 (or \$7,500, if the transferring Lender is a Defaulting Lender) to the Administrative Agent (unless such fee is waived by the Administrative Agent in its sole discretion), such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment as set forth in such Assignment and Acceptance, and the transferring Lender shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required.

(b) No Assignee of any transferring Lender's rights shall be entitled to receive any greater payment under Section 4.03 or 4.04 than such Lender would have been entitled to receive with respect to the rights transferred, unless such transfer is made with the Borrower's prior written consent or by reason of the provisions of Section 4.04(c) requiring such transferring Lender to designate a different Applicable Lending Office under certain circumstances or at a time when the circumstances giving rise to such payment did not exist.

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

Section 10.04 Certain Pledges.

Notwithstanding any other provision in this Agreement, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under this Agreement and any Revolving Credit Note held by it in favor of any Federal Reserve Bank in accordance with Federal Reserve Board Regulation A (or any successor provision) or U.S. Treasury Regulation 31 C.F.R. § 203.14 (or any successor provision), and such Federal Reserve Bank may enforce such pledge or security interest in any manner permitted under applicable law.

ARTICLE XI

MISCELLANEOUS

Section 11.01 APPLICABLE LAW.

THE RIGHTS AND DUTIES OF THE BORROWER, THE ADMINISTRATIVE AGENT AND THE LENDERS UNDER THIS AGREEMENT SHALL, PURSUANT TO NEW YORK GENERAL OBLIGATIONS LAW SECTION 5-1401, BE GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

Section 11.02 WAIVER OF JURY TRIAL.

THE BORROWER, THE ADMINISTRATIVE AGENT AND THE LENDERS EACH HEREBY WAIVES TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT, THE REVOLVING CREDIT NOTES OR THE RELATIONSHIPS ESTABLISHED HEREUNDER.

Section 11.03 Jurisdiction and Venue.

The Borrower, the Administrative Agent and the Lenders each hereby irrevocably submits to the non-exclusive jurisdiction of any state or federal court in the Borough of Manhattan, The City of New York for the purpose of any suit, action, proceeding or judgment relating to or arising out of any Credit Document. The Borrower, the Administrative Agent and the Lenders each hereby irrevocably consents to the jurisdiction of any such court in any such action and to the laying of venue in the Borough of Manhattan, The City of New York. The Borrower, the Administrative Agent and the Lenders each hereby irrevocably waives, to the fullest extent permitted by applicable law, any objection to the laying of the venue of any such suit, action or proceeding brought in the aforesaid courts and hereby irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

Section 11.04 Set-off.

The Borrower hereby authorizes each Lender (including each Lender in its capacity as a purchaser of a participation interest pursuant to Section 4.02(e)) upon the occurrence of an Event of Default and at any time and from time to time during the continuance thereof, to the fullest extent permitted by law, to set off and apply any and all deposits (whether general or special, time or demand, provisional or final and in whatever currency) at any time held, and other indebtedness at any time owing, by such Lender to or for the credit or the account of the Borrower against any of the Obligations of the Borrower, now or hereafter existing under any Credit Document, held by such Lender, irrespective of whether such Lender shall have made any demand under this Agreement and although such obligations may be unmatured; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.06 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the

Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section 11.04 are in addition to other rights and remedies (including other rights of set-off) which such Lender may have. Any Lender exercising its rights under this Section 11.04 shall give notice thereof to the Borrower and the Administrative Agent concurrently with or prior to the exercise of such rights; provided that failure to give such notice shall not affect the validity of such exercise.

Section 11.05 Confidentiality.

(a) The Lenders and the Administrative Agent agree (on behalf of themselves and each of their Affiliates, directors, officers, employees and representatives) to take normal and reasonable precautions and exercise due care to maintain the confidentiality of all non-public information provided to them by the Borrower or any Subsidiary or by the Administrative Agent on the Borrower's or any Subsidiary's behalf in connection with this Agreement and neither the Administrative Agent, any Lender, nor any of their Affiliates, directors, officers, employees and representatives shall use any such information for any purpose or in any manner other than pursuant to the terms contemplated by this Agreement, except to the extent such information (a) was or becomes generally available to the public other than as a result of a disclosure by the Administrative Agent or any Lender, or (b) was or becomes available on a non-confidential basis from a source other than the Borrower; provided that such source is not bound by a confidentiality agreement with the Borrower known to the Administrative Agent or affected Lender(s); provided further that nothing herein shall limit the disclosure of any such information (i) to the extent required by statute, rule, regulation or judicial process; (ii) to counsel for any of the Lenders or the Administrative Agent; (iii) to bank examiners, auditors or accountants; (iv) to the Administrative Agent or any other Lender; (v) by the Administrative Agent or any Lender to an Affiliate thereof who is bound by this Section 11.05; provided that any such information delivered to an Affiliate shall be for the purposes related to the extension of credit represented by this Agreement and the administration and enforcement thereof and for no other purpose; (vi) in connection with any litigation relating to enforcement of the Credit Documents; (vii) to any assignee or participant (or prospective assignee or participant) so long as such assignee or participant (or prospective assignee or participant) first executes and delivers to the respective Lender a Confidentiality Agreement, in substantially the form of Exhibit E; or (viii) on a confidential basis to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facility established hereunder. Each Lender and the Administrative Agent agree, unless specifically prohibited by applicable law or court order, to notify the Borrower of any request for disclosure of any such non-public information (x) by any Governmental Authority or representative thereof (other than any such request in connection with an examination of such Person's financial condition by such Governmental Authority) or (y) pursuant to legal process. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent and the Lenders in connection with the administration of this Agreement, the other Credit Documents, and the Commitments.

(b) This Agreement is intended to provide express authorization to each of the Lenders and their Affiliates (and each employee, representative, or other agent of each Lender and its of Affiliates) to disclose to any and all Persons, without limitation of any kind, the “tax treatment” and “tax structure” (in each case, within the meaning of Treasury Regulation Section 1.6011-4) of the transactions contemplated hereby and all materials of any kind (including opinions or other tax analyses) that are provided to the Lenders or any of them or any of their Affiliates (and any such employees, representatives or other agents) relating to such tax treatment and structure; provided, that, with respect to any document or similar item that in either case contains information concerning the tax treatment or tax structure of the transactions contemplated hereby as well as other information, this authorization shall only apply to such portions of the document or similar item that relate to the tax treatment or tax structure of the transactions contemplated hereby.

Section 11.06 Integration; Amendments and Waivers.

(a) This Agreement and any separate letter agreements with respect to fees payable by the Borrower with respect to this Agreement constitute the entire agreement among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

(b) Any provision of this Agreement may be amended, modified, supplemented or waived, but only by a written amendment or supplement, or written waiver, signed by the Borrower and either the Required Lenders (and, if the rights or duties of the Administrative Agent are affected thereby, by the Administrative Agent), or the Administrative Agent with the consent of the Required Lenders; provided, however, that no such amendment, modification, or waiver shall, unless signed by all the Lenders in the case of clauses (v) and (vi) below or all the Lenders affected thereby in the case of clauses (i) through (iv) below, or by the Administrative Agent with the consent of all the Lenders in the case of clauses (v) and (vi) below or all the Lenders affected thereby in the case of clauses (i) through (iv) below, (i) increase or decrease the Commitment of any Lender, except as contemplated by Section 2.03, or subject any Lender to any additional obligation, (ii) reduce the principal of or rate of interest on any Loan or any fees hereunder (other than the default rate set forth in Section 3.04), (iii) postpone any payment of principal of or interest on any Loan or any fees hereunder, (iv) postpone any reduction or termination of any Commitment, (v) change the percentage of, the Commitments or of the aggregate unpaid principal amount of Loans, or the number of Lenders, which shall be required for the Lenders or any of them to take any action under this Section 11.06 or any other provision of this Agreement, or (vi) amend, modify, supplement or waive the provisions of this Section 11.06. Except to the extent expressly set forth therein, any waiver shall be effective only in the specific instance and for the specific purpose for which such waiver is given.

Section 11.07 Cumulative Rights; No Waiver.

Each and every right granted to the Administrative Agent and the Lenders hereunder or under any other document delivered in connection herewith, or allowed them by law or equity, shall be cumulative and not exclusive and may be exercised from time to time. No failure on the part of the Administrative Agent or any Lender to exercise, and no delay in exercising, any right will operate as a waiver thereof, nor will any single or partial exercise by the Administrative Agent or any Lender of any right preclude any other or future exercise thereof or the exercise of any other right.

Section 11.08 Notices.

(b) Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). (c) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgment); provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(d) The Borrower hereby agrees, unless directed otherwise by the Administrative Agent or unless the email address referred to below has not been provided by the Administrative Agent to the Borrower, that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Lenders or the Administrative Agent pursuant to this Agreement, excluding (i) any Borrowing Request, Conversion Request, Increase Request or Extension Request or any communication related thereto, (ii) any communication that relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) notice of any Default or Event of Default under this Agreement or any other Credit Document or (iv) any notice that is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit hereunder (all such non-excluded communications being referred to herein collectively as “**Communications**”), by transmitting the Communications in an electronic format acceptable to the Administrative Agent to an email address as directed by the Administrative Agent.

(e) The Borrower acknowledges that the Administrative Agent will make available to the Lenders Communications provided by the Borrower hereunder by posting such Communications on DebtDomain or another similar electronic platform. Such platform shall be deemed to be provided “as is” and “as available”. Neither the Administrative Agent nor any of its directors, officers, employees, agents or advisors warrants the accuracy or completeness of the communications or the adequacy of such electronic platform and each expressly disclaims liability for errors or omissions in the communications. The Administrative Agent makes no warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects in connection with the Communications or such electronic platform. In no event shall the Administrative Agent or any of its directors, officers, employees, agents or advisors have any liability to the Borrower, any Lender or any other Person for damages of any kind, whether or not based on strict liability and including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Communications electronically, except to the extent the liability of any such person is found in a final and nonappealable ruling by a court of competent jurisdiction to have resulted primarily from such Person’s gross negligence or willful misconduct, and no claim may be made by the Borrower or any other Person against the Administrative Agent or any of its directors, officers, employees, agents or advisors for any special, indirect, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability.

(f) The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices given by the Borrower even if such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein. All telephonic notices to and other communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 11.09 Separability.

In case any one or more of the provisions contained in any Credit Document shall be invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions contained herein or in any other Credit Document shall not in any way be affected or impaired thereby.

Section 11.10 Parties in Interest.

This Agreement shall be binding upon and inure to the benefit of the Borrower and the Lenders and their respective successors and assigns, except that the Borrower may not assign any of its rights hereunder without the prior written consent of all of the Lenders, and any purported assignment by the Borrower without such consent shall be void.

Section 11.11 Execution in Counterparts; Electronic Execution of Credit Documents.

This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all the counterparts, including counterparts delivered by telecopy or electronic format (including .pdf), shall together constitute one and the same instrument. The words “execution,” “signed,” “signature,” and words of like import in this Agreement and the other Credit Documents including any Assignment and Acceptance shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions.

Section 11.12 USA Patriot Act Notice.

Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is required to obtain, verify and record information that identifies the Borrower and its Subsidiaries, which information includes the names, addresses and tax identification numbers of the Borrower and its Subsidiaries, and other information that will allow such Lender to identify the Borrower and its Subsidiaries in accordance with the Act.

Section 11.13 Acknowledgment and Consent to Bail-In of Affected Financial Institutions.

Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

Section 11.15 Acknowledgment Regarding Any Supported QFCs.

(a) To the extent that the Credit Documents provide support, through a guarantee or otherwise, for hedge agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(b) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(c) As used in this Section 11.15, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” means any of the following:

- (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);
- (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or
- (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

Section 11.16 Erroneous Payments.

(a) If the Administrative Agent notifies a Lender or any Person who has received funds on behalf of a Lender, such Lender (any such Lender or other recipient, a “Payment Recipient”) that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “Erroneous Payment”) and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment

Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, or any Person who has received funds on behalf of a Lender, hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 11.16(b).

(c) Each Lender hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender under any Credit Document, or otherwise payable or distributable by the Administrative Agent to such Lender under any Credit Document with respect to any payment of principal, interest, fees or other amounts, against any amount due to the Administrative Agent under preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon the Administrative Agent's notice to such Lender at any time, (i) such Lender shall be deemed to have assigned its Loans (but not its Commitments) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments), the "Erroneous Payment Deficiency Assignment") at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such

instance), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an electronic platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any promissory notes evidencing such Loans to the Borrower or the Administrative Agent, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender under the Credit Documents with respect to each Erroneous Payment Return Deficiency (the "Erroneous Payment Subrogation Rights").

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any obligations under the Credit Documents owed by the Borrower, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(g) Each party's obligations, agreements and waivers under this Section 11.16 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments and/or the repayment, satisfaction or discharge of all obligations (or any portion thereof) under any Credit Document.

Section 11.17 California Judicial Reference.

In the event that the Waiver of Jury Trial (Section 11.02 of this Agreement) is not enforceable in California, the Borrower, the Administrative Agent and the Lenders (collectively, "Parties") elect to proceed under this Section 11.17.

(a) Any and all disputes, claims and controversies arising out of, connected with or relating to this Agreement or any other Credit Document or the transactions contemplated thereby (individually, a "Dispute") that are brought before a forum in which pre-dispute waivers of the right to trial by jury are invalid under applicable law shall be subject to the terms of this Agreement in lieu of the jury trial waivers otherwise provided in the Credit Documents. Disputes may include, without limitation, tort claims, counterclaims, claims brought as class actions, claims arising from Credit Documents executed in the future, disputes as to whether a matter is subject to judicial reference, or claims concerning any aspect of the past, present or future relationships arising out of or connected with the Credit Documents. Notwithstanding the foregoing, this Section 11.17(a) shall not apply to any agreement, contract or transaction that constitutes a "swap" within the meaning of section 1a(47) of the Commodity Exchange Act or any form of master agreement published by the International Swaps and Derivatives Association, Inc., any International Foreign Exchange Master Agreement or any similar master agreement governing any and all rate swap transactions, basis swaps, credit derivative transactions, forward rate transactions, commodity swaps, commodity options, forward commodity contracts, equity or equity index swaps or options, bond or bond price or bond index swaps or options or forward bond or forward bond price or forward bond index transactions, interest rate options, forward foreign exchange transactions, cap transactions, floor transactions, collar transactions, currency swap transactions, cross-currency rate swap transactions, currency options, fixed-price physical delivery contracts, whether or not exchange traded, or any other similar transactions or any combination of any of the foregoing (including any options to enter into any of the foregoing).

(b) Any and all Disputes shall be heard by a referee and resolved by judicial reference pursuant to California Code of Civil Procedure ("CCCP") §§ 638 *et seq.*

(c) The referee shall be a retired California state court judge or an attorney licensed to practice law in the State of California with at least 10 years' experience practicing commercial law.

(d) If the Parties are unable to agree upon a referee within 10 calendar days after one Party serves a written notice of intent for judicial reference upon the other Parties, then the referee will be selected by the court in accordance with CCCP § 640(b).

(e) The referee shall render a written statement of decision and shall conduct the proceedings in accordance with the CCCP, the Rules of Court, and the California Evidence Code, except as otherwise specifically agreed by the Parties and approved by the referee. The referee's statement of decision shall set forth findings of fact and conclusions of law. The decision of the referee shall be entered as a judgment in the court in accordance with CCCP §§ 644 and 645. The decision of the referee shall be appealable to the same extent and in the same manner that such decision would be appealable if rendered by a judge of the superior court.

(f) Notwithstanding the preceding agreement to submit Disputes to a judicial referee, the Parties and the other Credit Documents preserve, without diminution, certain rights and remedies at law or equity and under the Credit Documents that such Parties may employ or exercise freely, either alone or in conjunction with or during a Dispute. Each Party shall have and hereby reserves the right to proceed in any court of proper jurisdiction or by self-help to exercise or prosecute the following remedies, as applicable: (i) all rights to foreclose against any real or personal property or other security by exercising a power of sale granted in the Credit Documents or under applicable law or by judicial foreclosure and sale, including a proceeding to confirm the sale, (ii) all rights of self-help including peaceful occupation of property and collection of rents, setoff, and peaceful possession of property, (iii) obtaining provisional or ancillary remedies including injunctive relief, sequestration, garnishment, attachment, appointment of receiver and in filing an involuntary bankruptcy proceeding, and (iv) when applicable, a judgment by confession of judgment. Preservation of these remedies does not limit the power of a judicial referee to grant similar remedies that may be requested by a party in a Dispute. No provision in the Credit Documents regarding submission to jurisdiction and/or venue in any court is intended or shall be construed to be in derogation of the provisions in any Credit Document for judicial reference of any Dispute. The Parties do not waive any applicable federal or state substantive law (including without limitation the protections afforded to banks under 12 U.S.C. § 91 or any similar applicable state law) except as provided herein.

(g) If a Dispute includes multiple claims, some of which are found not subject to this Agreement, the Parties shall stay the proceedings of the claims not subject to this Agreement until all other claims are resolved in accordance with this Agreement. If there are Disputes by or against multiple parties, some of which are not subject to this Agreement, the Parties shall sever the Disputes subject to this Agreement and resolve them in accordance with this Agreement.

(h) During the pendency of any Dispute that is submitted to judicial reference in accordance with this Agreement, each of the Parties to such Dispute shall bear equal shares of the fees charged and costs incurred by the referee in performing the services described in this Agreement. The compensation of the referee shall not exceed the prevailing rate for like services. The prevailing Party shall be entitled to reasonable court costs and legal fees, including customary attorney fees, expert witness fees, paralegal fees, the fees of the referee and other reasonable costs and disbursements charged to the party by its counsel, in such amount as is determined by the referee.

(i) In the event of any challenge to the legality or enforceability of this Agreement, the prevailing Party shall be entitled to recover the costs and expenses from the non-prevailing Party, including reasonable attorneys' fees, incurred by it in connection therewith.

(j) This Agreement may be executed in multiple counterparts, each of which shall constitute an original, but all of which, when taken together, shall constitute one and the same agreement.

(k) THIS AGREEMENT CONSTITUTES A “REFERENCE AGREEMENT” BETWEEN THE PARTIES WITHIN THE MEANING OF AND FOR PURPOSES OF CCCP § 638.

[THE REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties hereto have caused this Amended and Restated Revolving Credit Agreement to be duly executed as of the date first above written.
